Forsan et hac olim meminisse juvabit. -- "Perhaps the remembrance of these things will prove a source of future pleasure."

This year, the La Corona staff wished to honor a particular segment of Kofa's population. We wanted to select the senior students who were most representative of the best aspects of our school.

In consulting with school authorities we decided the best way to make our choices was to establish the same criteria as is used in the "Who's Who in American High Schools" selections. This we did, and the following 19 students were picked by a special group of administration and faculty members according to their records of scholarship, service to school and community, extra-curricular activities, and promise of future achievement.

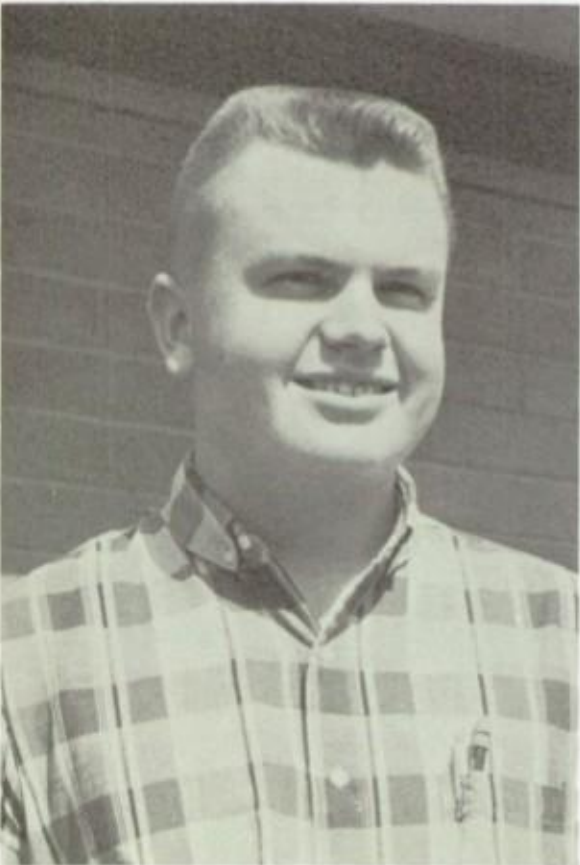

We proudly present these students as the first members of the **SENIOR HALL OF FAME.**

FACULTY

AND ADMINISTRATION

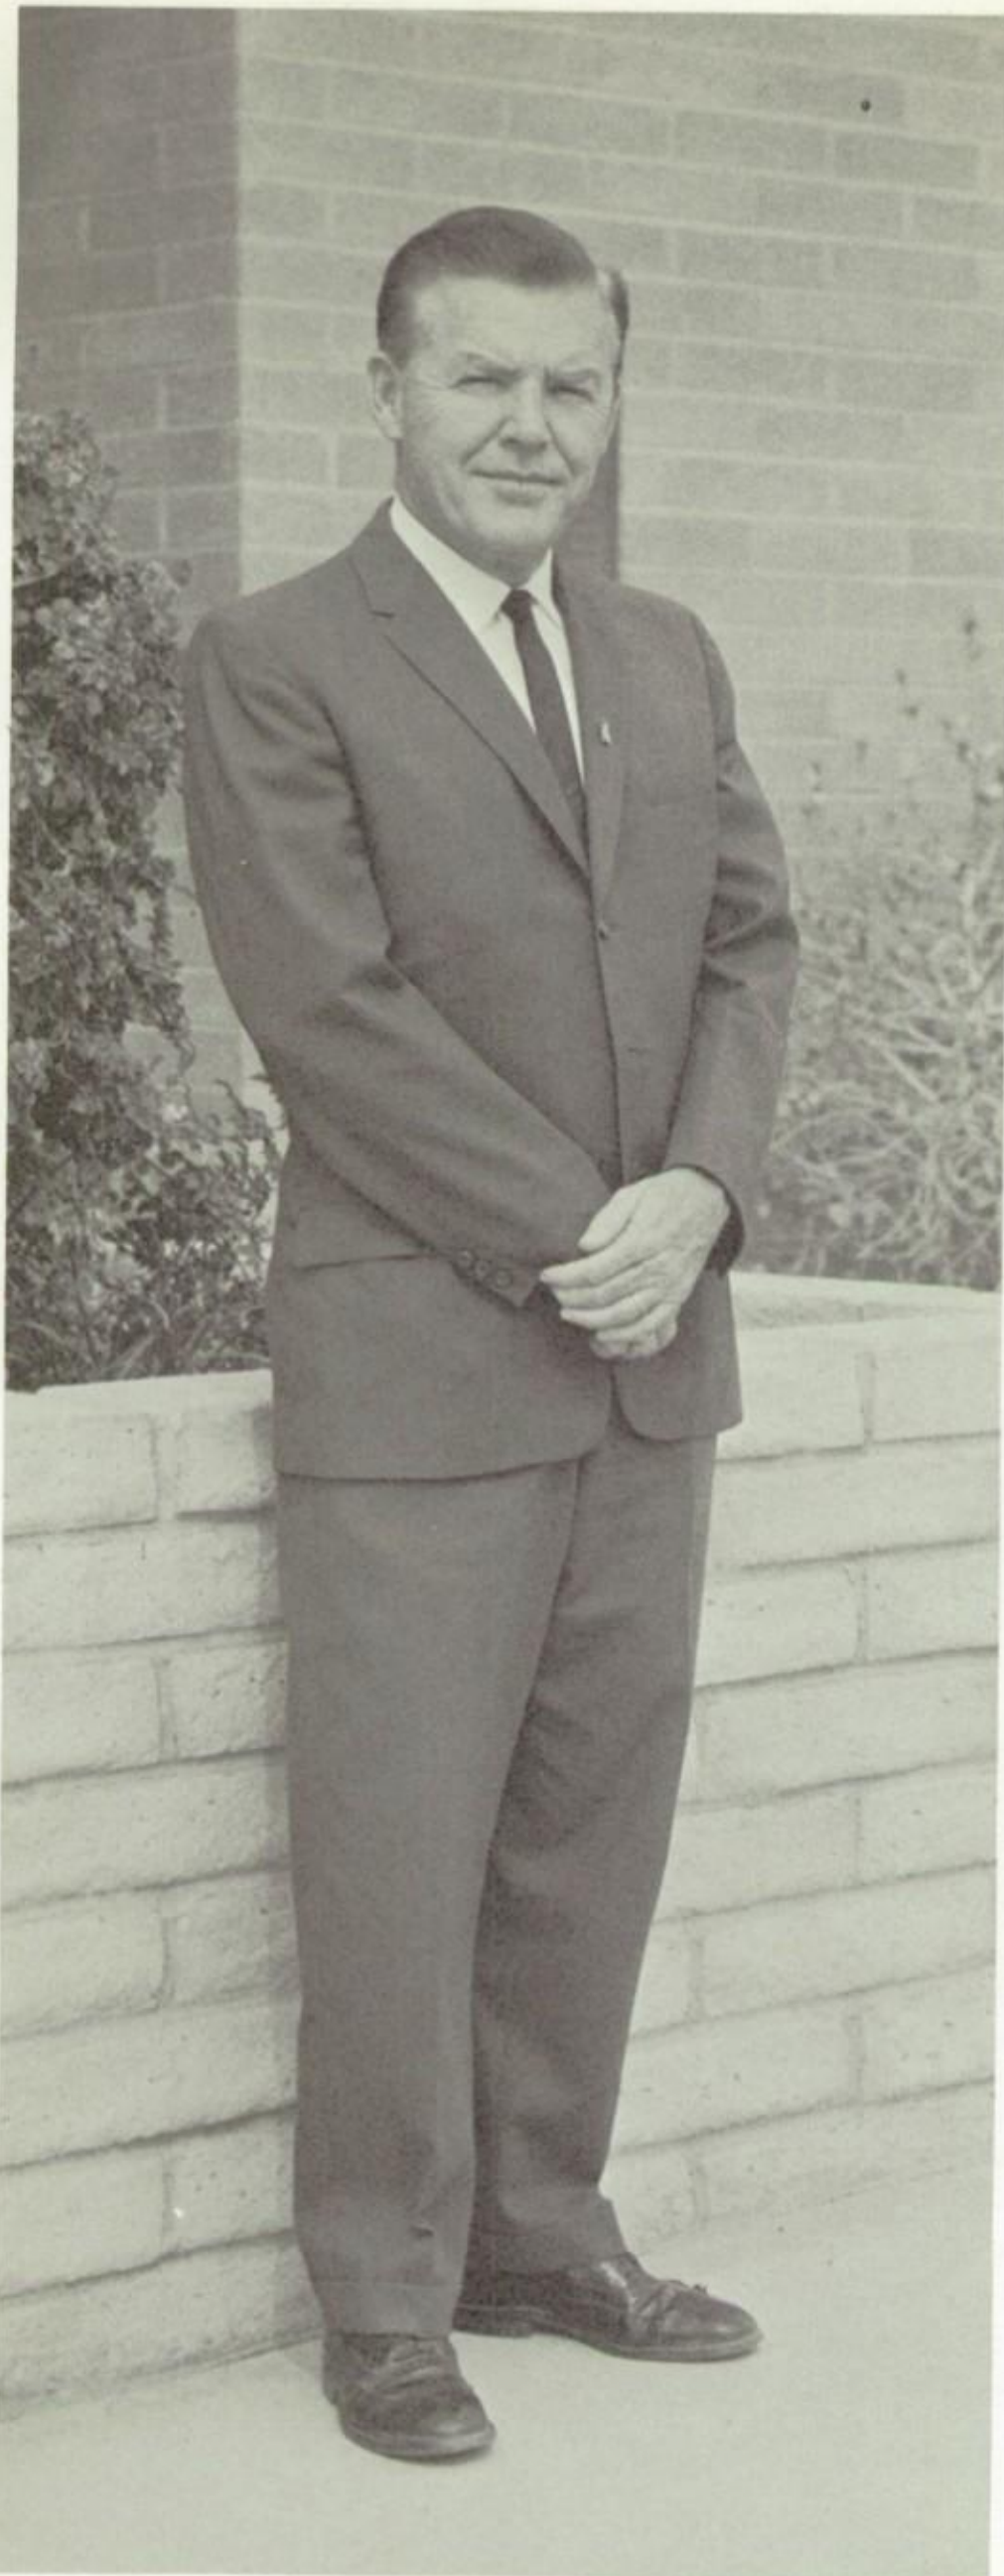

Left to right: Helene T. Bennet, Robert J. Moody, S. R. Blake, Wilson Roach, Theo O. Beach.

The School Board serves as the governing body of our school. Their many duties include hiring teachers, supervising maintenance and management of school property, and determining school policies. They meet regularly the first and third Tuesday of every month and occasionally hold special sessions.

The members are elected to office and serve without pay. By functioning as a group, they do much to improve the educational opportunities for the youth in this district.

YUMA UNION HIGH SCHOOL DISTRICT BOARD

W. A. CANODE SUPERINTENDENT OF YUMA HIGH SCHOOL DISTRICT # ONE

W. A. Canode

Extensive training and a wide variety of educational experiences testify to the capability of our superintendent, Mr. W. A. Canode. After receiving his B.S. degree from James Millikin University, he earned an M.A. from the University of Montana, and his D.P.D. degree from the University of Wyoming.

In his second year as superintendent here, he previously served as a grade school teacher, a coach, a secondary school teacher, and a high school superintendent in various schools in Illinois. From 1949-1952 he was the Superintendent of Schools in Kemmerer, Wyoming, and from 1952-1964 he was Superintendent of Schools for Durango, Colorado.

W. W. ARMSTRONG, PRINCIPAL

The influence of the space age makes it clear that learning and mental attitude are tremendously important to our young people.

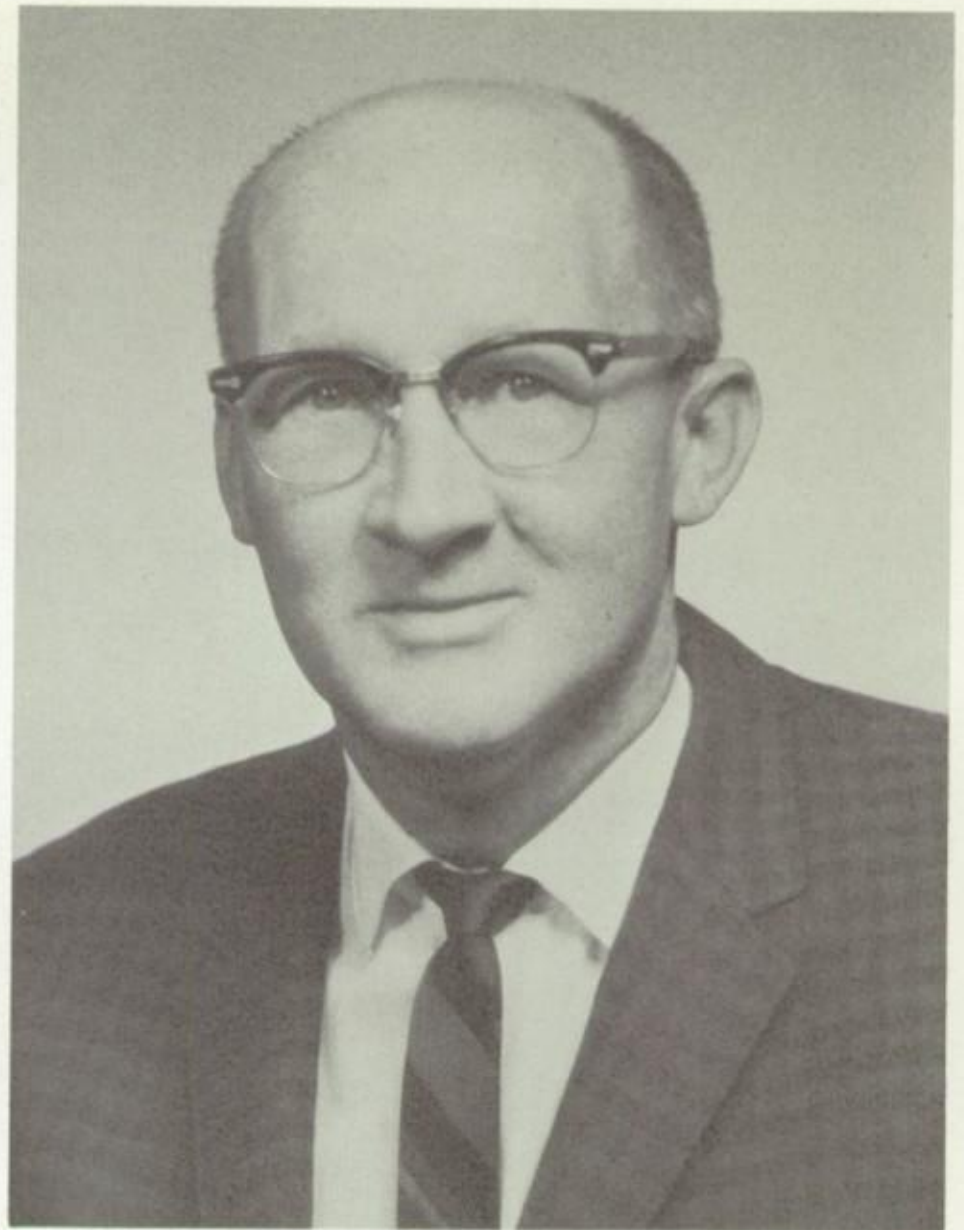

The population explosion, the expanding use of technology and automation, and a new knowledge of science and health may soon create an environment which is radically different from that of today. To be ready for this there are a number of attributes that can be helpful. Among these are the development of good habits, the ability to think clearly and make decisions, and above all, the desire to achieve up to one's ability.

Best of luck to the class of 1966 in their future endeavors.

W. W. Armstrong

Harold Elliot
Assistant Principal Sub School #1

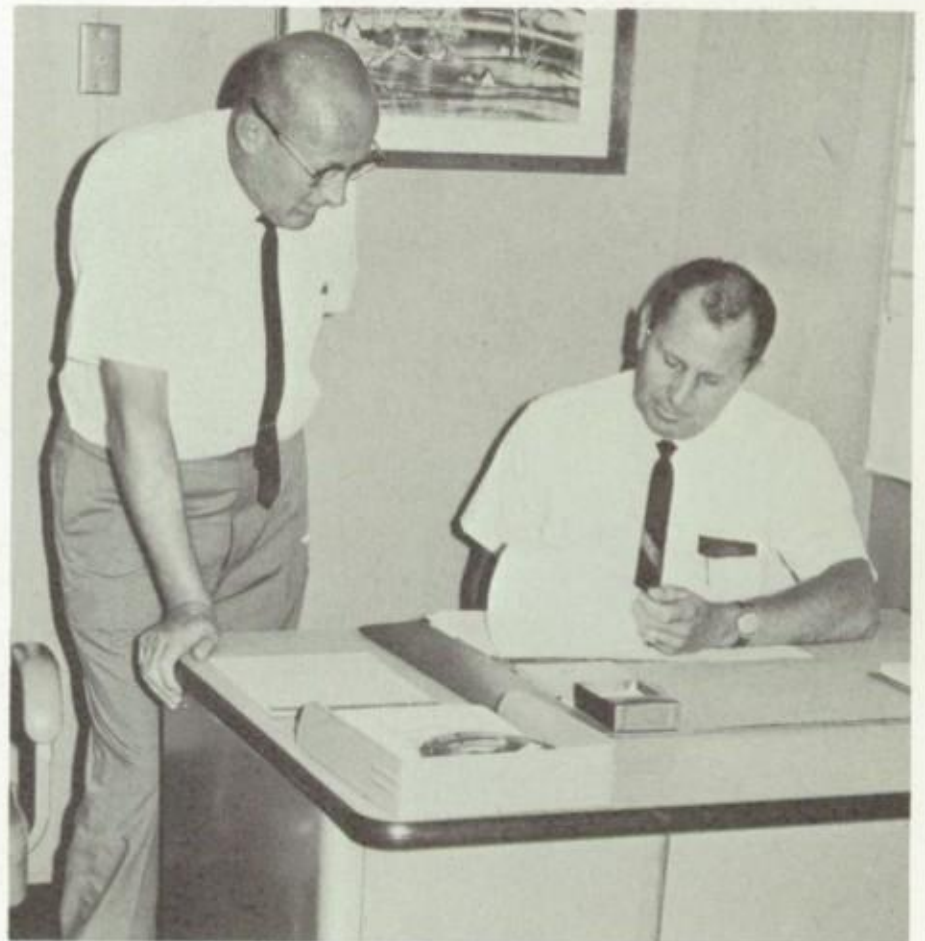

Duane Phelps
Assistant Principal Sub School #2

ASSISTANT PRINCIPALS

The Assistant Principals, Mr. Elliot and Mr. Phelps, in addition to maintaining school discipline, are in charge of Sub Schools one and two respectively. They coordinate sports and student activities. They also observe and make recommendations concerning teachers and they plan the school calendar.

Many detailed daily problems arise which require patience, dedication, and hard work. Their influence on Kofa has done much to improve our high school.

Mr. Elliot and Mr. Phelps check plans for the annual Yuma-Kofa game, an event which draws 6000 fans.

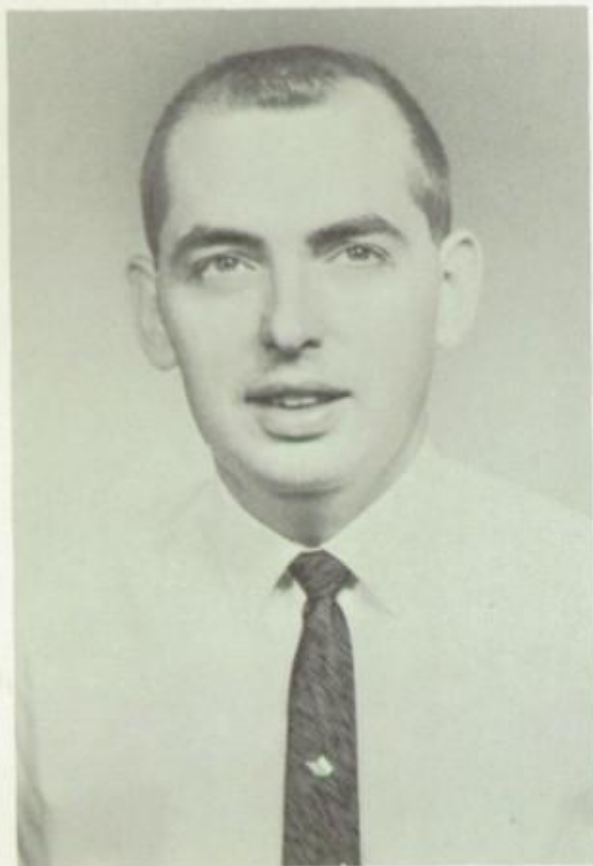

COUNSELORS

The counselors express their gratitude for the satisfaction gained in helping students with various problems. Always available, the counselors assist students to recognize their abilities and identify their problems.

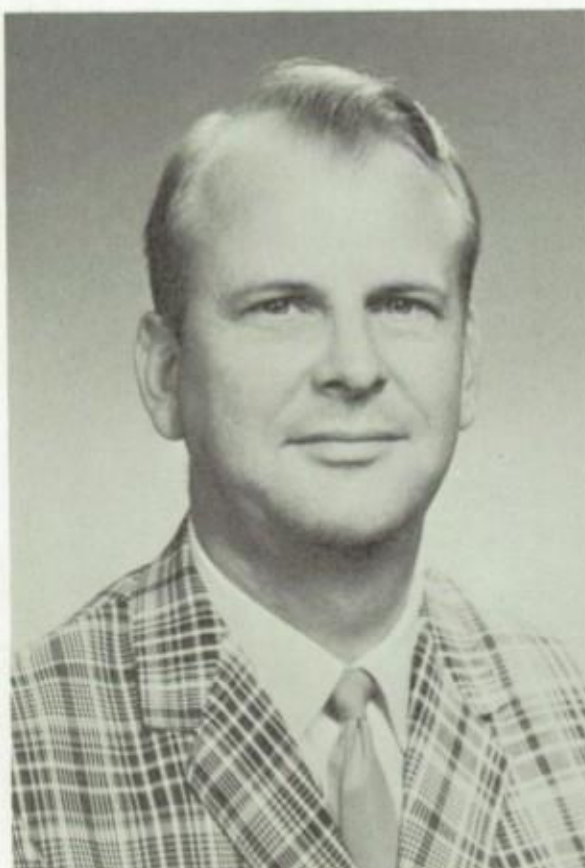

They also engage in planning various club activities, conducting college entrance examinations and seeking scholarships. Handling personal problems and student enrollment procedures, counselors endeavor to help each student receive the maximum benefits of Kofa.

Thomas May moved from the counseling office this year to become Kofa's first Registrar.

NORS AND ROYALTIES

VALEDICTORIAN

Bill Muller has earned the honor of Valedictorian of the class of 1966. Never receiving less than a 1 in any subject was his goal. He surpassed this by receiving honors grades in chemistry.

Bill wishes to continue his education at Rice University in Houston, Texas, but as yet his plans aren't definite. He plans to continue in the field of chemistry and physics and become a chemical engineer upon college graduation.

Bill believes every student "should study hard enough for the grades you want but leaving time for other things is just as important." He served his school and community by serving as Key Club president. N.H.S. has claimed him as a member and he has also served as treasurer of Science Club. Participation in Latin Club, King's Players, and Math Club more than filled his remaining free time.

SALUTATORIAN

Glenys Arnold earned the honor of Salutatorian of the class of 1966. She ranked second in her class through continuous effort and "being organized". Glenys praised the help her teachers gave her and the guidance they offered in helping her plan for the future.

She wishes to attend Northern Arizona University majoring in English or History and then go on to teach these subjects on a high school level. Many activities filled her schedule including the responsibility of being co-editor of the King's Page.

The National Honor Society proudly dubbed her into its membership two years ago, while Pep Club has claimed her for 3 years. Her other extra-curricular activities included Quill and Scroll, "S" Club, Spanish Club, and she was proclaimed "Outstanding Junior Girl".

Rita Harvick

Rita's plans after graduation include going to A.W.C. and then continuing her education at a state university, majoring in elementary education or mathematics.

Her advice to underclassmen is to "study as much as possible but go to all the activities because they only happen once." Her Senior activities included F.H.A., N.H.S., F.T.A., Pep, and she was proclaimed "Girl of the Year" by Anchor Club, which she served as President.

Jane Malone

Being proficient in Spanish and business courses, Jane plans to attend the U. of A. and major in one of these subjects. Then she will probably "go out and pass on the knowledge I have acquired."

Her tip to other students is "to take advantage of your time in class." Being a busy and ambitious girl, she was President of Girl's League, Inter-club Council president and a member of N. H. S.

Dan Konopnicki

Dan hopes to further his education at the U. of A. His future education, he hopes, will enable him to be a chemical engineer. Studying hard and enjoying it were the secrets of his success and selection to the Top Ten, but there was always time left for him to take part in activities which involved membership in N.H.S., Math Club, and Science Club where he served as President.

Jesse McInturf

Equations and symbols are constantly on this Senior's mind. Jesse would like to major in mathematics at the U. of A. after graduation.

He thinks every person should "try to be a success but have fun too." He is noted for his outstanding football participation and his attendance at Boy's State. He also held the offices of VP for N.H.S. and Math Club president.

Caren Orr

Caren, a blonde-haired senior, plans to further her education at Arizona Western College, but as yet hasn't decided what field she will pursue. Hard studying and application was Caren's justification for her selection for the Top Ten. Her activities include Future Homemakers of America.

Anne-Marie Schmitt

Well-known for her ability in journalism, Anne-Marie wants to study further in this interesting and rewarding field. A.S.C. seems right for her and she is looking forward to next year.

After college graduation she would like to work for a magazine or newspaper. Her advice to underclassmen is to "don't postpone things." Her activities include Quill and Scroll president, N.H.S., and Feature Page editor for the King's Page.

Ann Soldwedel

Ann's future calls for attending American University in Washington D. C. and majoring in sociology or criminology. She believes everyone should "form good study habits and learn to concentrate." Her many activities include N.H.S., Quill and Scroll, tennis, and the King's Page staff. She was selected for the 1966 Daughters of American Revolution Award for her outstanding knowledge of American History.

Theresa Thomas

Having been awarded a scholarship to the U. of A., Theresa is looking forward to her first year at college. She plans to study psychology or Spanish and major in one of these subjects.

She was selected for the Daughters of American Revolution Award in 1965 for her outstanding knowledge of American History. Her activities include Harmonettes, and "S" Club of which she was Vice-president.

BOYS' AND GIRLS' STATE

When asked what impressed them or what they remembered most about Boys' and Girls' State their replies were:

Bill Muller: "I remember the fake fire drill we pulled...It was hilarious! We had all of the cities running to the basement."

Carmela Veloso: "I can't believe how friendly everyone was! All the girls were so nice."

Danny Winters: "What I remember most was Pat Dallabetta.....period."

Jane Malone: "What impressed me was the girls themselves. You go feeling pretty high of yourself, then you meet all the other outstanding girls...it's a humble feeling."

Ibarra, Judy Sugden, Jesse McInturf, Moses Camarena, and Chris Deyo.

Louie Ibarra: "What impressed me most was the feeling of being around and associating with some of the most outstanding boys of the state. It was really great."

Judy Sugden: "I was most impressed by the intelligence, creativity, interest, knowledge and ambition displayed by each girl. This in itself was an inspiration to me."

Jesse McInturf: "What really stands out in my mind was the co-operation and the enthusiasm of all the boys."

Moses Camarena: "What impressed me was the organization and the efficiency of the work accomplished, which exemplifies what boys of high caliber can do in such a short time."

Chris Deyo: "I think that the thing that meant the most to me was the tremendous love and respect that we all shared during our short week at Girls' State."

MARDI GRAS ROYALTY

Each spring, Kofa's own New Orleans carnival, the Mardi Gras, involves the entire campus in planning, preparing, and playing away a day and night of fun.

Teachers and students alike doff their inhibitions, dress in ridiculous costumes, and everyone has a good time.

Mardi Gras King and Queen, Louie Ybarra and Chris Deyo, were crowned at the dance "Way Out World" as their attendants Danny Deberry, Sandy Barsema, Bruce Gwynn, Tasa Snyder, Chris Beck, and Daraveen Gallger looked on.

NATIONAL CONFERENCE OF CHRISTIANS AND JEWS

These students represented Kofa at the eleventh annual National Conference of Christians and Jews. The convention was hosted by Arizona State University on October 16.

This year the students were nominated and selected by student council. Previously, candidates were chosen from letters they submitted. This time the council chose those who they thought would be interested, would represent Kofa well and could share the

benefits with the student body.

The conference was designed to benefit students through fellowship and speeches by distinguished persons on topics particularly meaningful to youth.

Sponsors for the human-relations workshop are the national organization of the Conference of Christians and Jews and their high school organization, the Inter-High School Brotherhood Council.

Representing KOFA at the National Conference of Christians and Jews were Becky Deyo, Theresa Thomas, Stacy Shipp, David Givens, Arthur Wong, and Hank Ganster.

ANYTOWN

Anytown delegates: Jim Gilmore, Sandy Rathbun, Kim Karawasky, and Kathy Lee.

Anytown is a human relations workshop for teenagers in Arizona. Sports and activities are featured daily, but the most important thing at Anytown is learning to understand and get along with people of all races, creeds, and religions.

These students who attended Anytown declared they will never forget it and they wish everyone could go through the rewarding experiences they had.

MAJORETTES

DRUM MAJOR

Judy Crabtree--Head

As head majorette, Judy sometimes wonders how she can say that being a majorette is fun; "But," she adds, "it is, and I consider it an honor to be head."

Janet Harding

"Being a majorette has been a lot of fun and a great experience for me," said Janet, and she laughingly adds, "Especially where first-aid for blisters is concerned."

Irwin McQueary

"Being Drum Major is hard work and it takes up a lot of time, but I think it is worth it because it's a chance to represent Kofa. I feel it an honor, being chosen to lead the band."

Chrissy Roach

Commenting on how she feels being a majorette, Chrissy says, "It can never be called easy, but it's so much fun you can overlook the hard work and the practice it takes."

Johnny Spears

"I love twirling! It brings a lot of rewards, but I think my greatest reward was being chosen as a majorette at Kofa."

John Mackey and Joan Kenny played starring roles in the 1965 senior class play, "The Ugly American". The play centered around Homer Atkins, an American, who was trying to help the villagers in the fictional country of Sarkhan. Trying to foil Homer's efforts were communists Deong and Le Mai Kelly, played by Bill Spencer and Anne-Marie Schmitt, and helping him were Col. Hillendale, played by Jerry Nabours, and Marie McIntosh, played by Gretchen Williamson.

Mr. David Melillo, director, described the play as "sarcastic and humorous, but meaningful."

Greg Hansen, Cindy Turner, Keith Long, Sheri Long, and Bill Spencer fight over John Mackey.

She attends a stockholders meeting and asks some innocent questions, not knowing that by asking them, she will eventually take over the corporation.

The four ugly corporation directors give her a nominal job, but through her friendliness with the stockholders, she unveils the crooked dealings of the directors, and all eventually ends happily.

FRESHMAN TALENT SHOW

A musical Freshman Talent Show was a great success this year judging from the audience's reaction.

Emceed by Gloria Hayes, with Betsy DeBerry as the "straight man", the talent show gave older Kings a look at their talented newcomers. Mary Schantek, Robyn Gordon, and Vicki Altman sang their way to 1st, 2nd, and 3rd places, respectively.

Mary told the story of how "The Cat Came Back" while accompanying herself on the guitar. Second place winner Vicki Altman sang "Tonight," while Robin Gordon sang "I Want to Crow" from the musical "Peter Pan."

M.C.: Ted Rice

The 1966 A.M.S. Talent Show began with a bang, carrying through its theme, "The Mild, Mild, West." M.C. Ted Rice and Nance Meindhart introduced the acts, which ranged from singing to magic to dancing. The show featured cowboys in authentic old west costumes, a realistic drunk, and some rowdy fights.

Dancing her way to first place to the tune of "Goldfinger" was Linda Cannon. Mary Schantek and Eric Hultquist tied for second place, Mary with a crowd pleasing "The Cat Came Back," and Eric with an awesome fire-eating magic act. John Mackey sang "Shenandoah" and "El Matador," accompanying himself on the guitar, to place third.

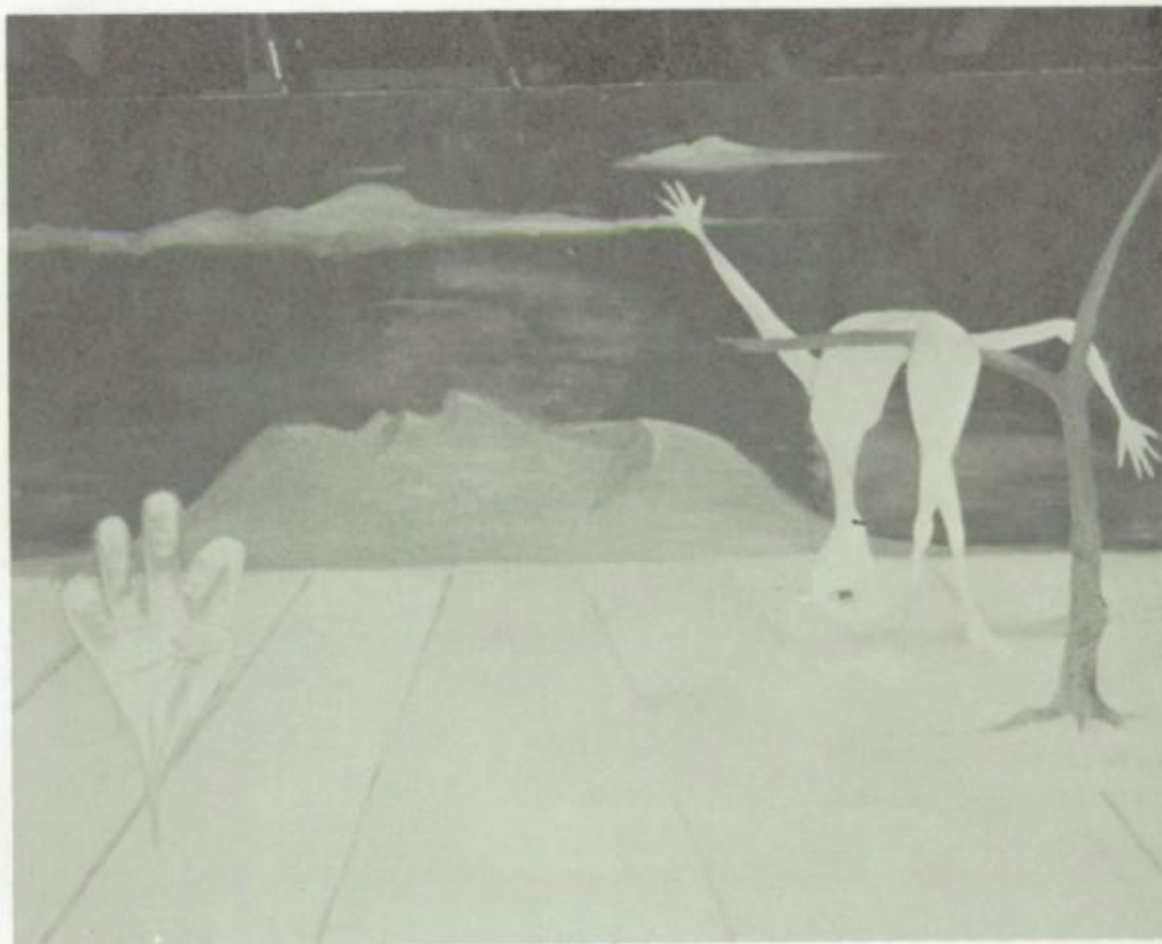

Mrs. Taylor points out details to be highlighted in Chris Deyo's still life.

FINE ARTS

Mrs. Anna Taylor's art classes strive for personal satisfaction to artistically express themselves through the media of oils, pastels, watercolors, tempera, pen and ink, and plastic paint.

Crowded classes do not deter these budding artists.

Debbie Crawford's fine example of surrealism.

CERAMICS

The most stressed technique used in the ceramics classes is imagination. Patterns are never used, so everything made is an original idea of the student.

A few of the many techniques used are coil and slab construction, sculptoring, firing and glazing pottery, and learning molding.

The painstaking effort in throwing a pot is evident in this study of Judy Yates at work.

Working with clay is not all work. Here Armenda Lawrence, Stella Valenzuela, Sylvia Angermier, Shirley Williams and Janice Milburn have the opportunity to discuss their latest social events.

KING'S PAGE

During fourth period every day, a group of harried students can be seen rushing around the campus, accosting stray teachers, counselors and students to ask, "Got any news today?"

Commonly known as the "Kings Pagers," these students put out an issue of the newspaper bi-weekly. Glenys Arnold and Jim Shay, co-editors, oversee the work of sports editor Karen Kryger and feature editor, Anne-Marie Schmitt.

Cindy Turner, exchange editor, sends copies of the King's Page all over the U.S., while Jim Gilmore creates ads for each issue. Reporters are Anne Frazier, Gale Olp, Cathy Watson, Linda Sanborn. Sandy Barsema is columnist for the Yuma Daily Sun. Ann Cooper is copy reader. Photography is done by Carl Longshore, assisted by Sheridan Daniell, who also writes stories.

The staff put out a number of special editions this year, covering homecoming, wrestling regionals at Kofa, and traffic safety.

Mrs. Muriel Malone is advisor for the King's Page, which has consistently received high awards.

Cindy Turner, Ann Cooper and Sandy Barsema pause for a picture in the midst of meeting their deadlines.

Co-editors Jim Shay and Glenys Arnold.

LA CORONA STAFF

Senior page editors Cindy Skinner, Dianne Farley, Carolyn Olson, Susan Conner and editor Jeanne Fields check over the copy.

Despite the depletion of 19 original staff members to 12 students, the 1966 staff struggled with the perennial problems involved in yearbook publishing to produce the largest and (they hope) the best Kofa annual yet.

As executive editor, Jeanne Fields led an able staff in compiling a book they desired to be truly representative of Kofan life, a book carrying out the theme, "Our Memories Are Forever."

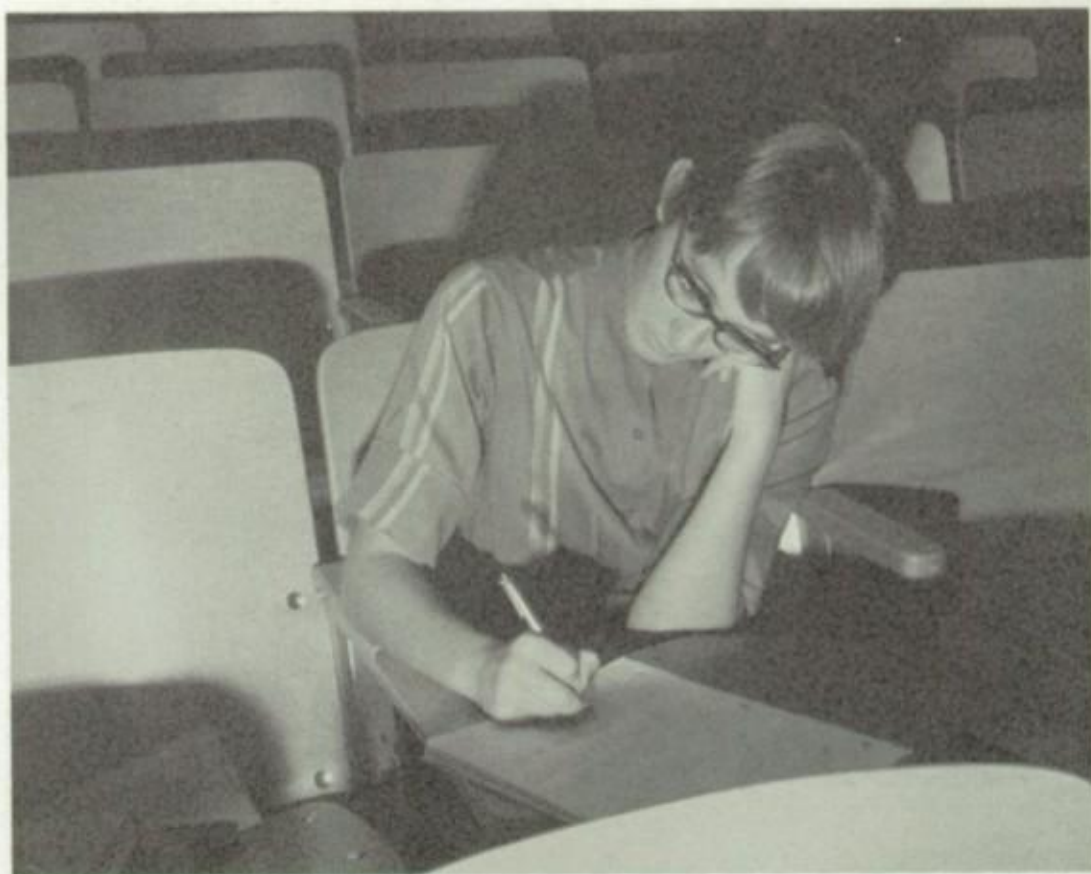

Mr. Jim Daman, advisor, helps Jeanne Fields, editor, with the 1966 La Corona.

Staff members: Row 1: Susan Gunlock, Laura Schmitt, Susan Conner, Judy Jurasevich. Row 2: Debbie Rivera, Dianne Farley, Jeanette Schnack, Danny Watson, Cindy Skinner, Jeanne Fields, Jackie Auten, Carolyn Olson. Missing is Carl Longshore.

WRITING IS A LONELY PROCESS

Peggy Johnston

Seeking the opportunity to meaningfully express themselves and their interpretations of the world, a selected group of students enrolls each year in the creative writing class.

Soon they find that the joys of expression and achievement are purchased with inner struggle and tortuous contemplation.

Several members of the class were rewarded when they saw their work appear in a new Kofa literary magazine, published in the spring.

Karen Kryger

James Gilmore

The vivid emotional highlights of our lives fade all too soon. We forget the struggles, the friendships, the achievements of our years in school all too quickly in the frenzy and confusion of maturing. People move away, acquaintances drift into differing occupations, death stamps its mark of finality on some, and months or years later, we suddenly realize that you really can't go back again. A most important and irreplaceable portion of our lives is over.

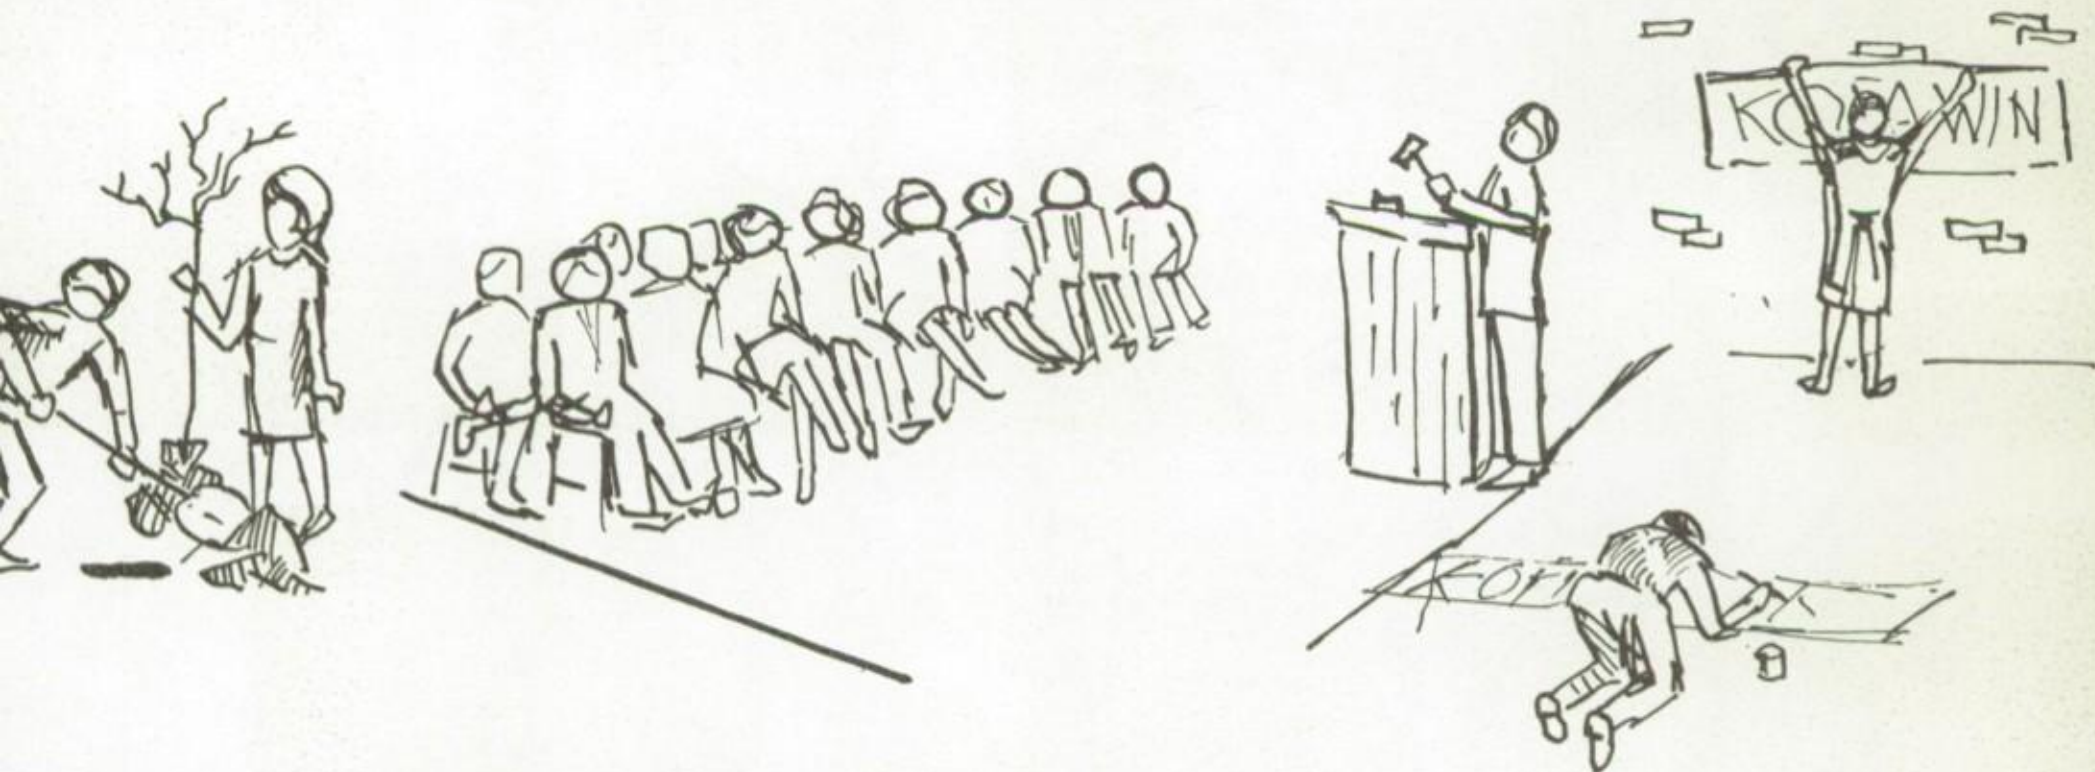

And yet in secret places of our hearts and minds there is that which cannot end, that which can never change. We hope to bring that vague something to life in this annual. We wish to preserve our joys of triumphs and pains of defeat during the 1965-66 school year. It is important that we remember those failures, especially, for hopefully we build upon these for the future.

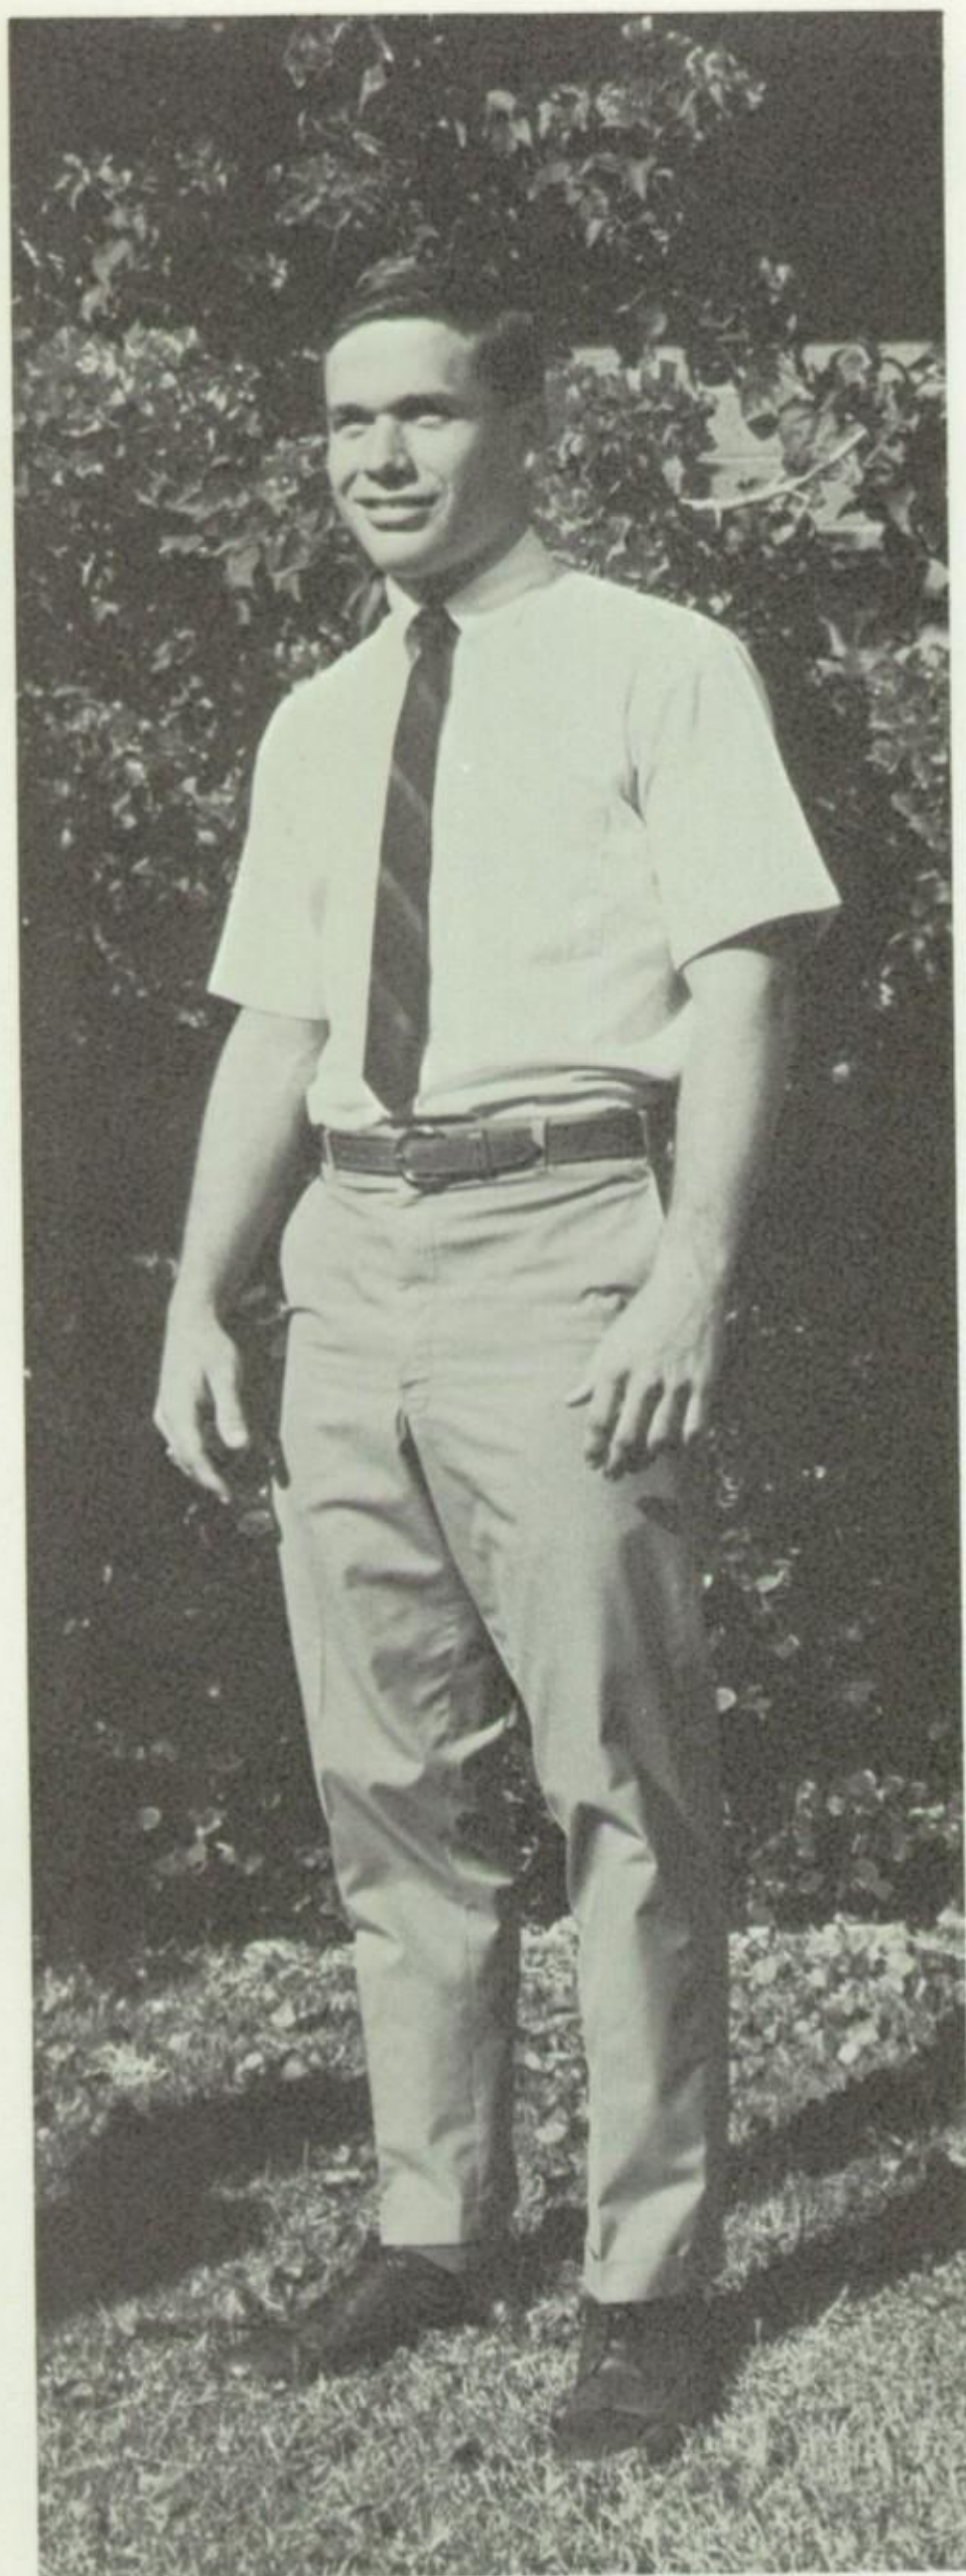

With these endeavors in mind, we present to you as our theme for this year-- OUR MEMORIES ARE FOREVER.

CLUBS AND ORGANIZATIONS

Bruce Gwynn, Student Body President.

Moses Camarena, Vice President, Nancy Meinhardt, Secretary, Kris Young, Treasurer.

STUDENT BODY OFFICERS

The student body officers are some of the most active students on campus. Each has many varied responsibilities.

The student body president, Bruce Gwynn, serves as a liason between the student council and the administration. He also presides over all student body assemblies. Acting as chairman of the student council is the most important job of Vice President Moses Camarena. He also takes the place of the President during his absence.

Nancy Meinhardt, Student Body Secretary, takes minutes at all meetings. She also carries on correspondence between KOFA and other schools.

Taking care of all financial affairs is the duty of Student Body Treasurer Kris Young. She sends out financial reports to all clubs and takes care of all money at the dances and various school affairs.

Danny Winters, Social Manager, organizes the occurrence of all social events.

The publicity manager, Sandy Barsema, publicizes all school events. The success of an event often depends on the enthusiasm she stirs among the students.

Eight representatives were sent to the Student Council Convention held at Maryvale High School. They also helped to select the National Conference of Christians and Jews candidates.

The walkway signs and the suggestion boxes in both cafeterias were some of the new projects completed by Student Council this year.

Mr. Richard Meredith is the Council's advisor.

KINGS' PLAYERS

Jeanne Fields takes the names of the King's Players with the help of Dick Pfleeger.

King's Players promote interest in dramatics by giving experience to the club members in a full scale play, by helping with the junior and senior class plays, and by taking part in workshops in the fields of drama, speech and debate.

This year Kings' Players produced their annual club production, took part in the spirit contest, co-sponsored a dance and held a car wash.

National Thespians, an inter-club of Kings' Players, is an honorary national club for dramatics and is striving to gain more eligible members. Eventually they hope to become a separate organization.

ANCHOR CLUB

Anchor Club members, J. Lemke, P. Etter, R. Harvick, S. Palon and D. Rodriguez work diligently on their parking lot isle, a project started last year.

Anchor Club is a service club. Members attempt to improve their own characters and acquire new skills. They are sponsored by the Pilot Club.

This year they sold football programs at home games, sponsored a dance, and participated in the Mardi Gras. Each year, they also prepare a Thanksgiving basket and a Christmas basket. They give assistance to the Old Folk's home and the juvenile home. They also participate in the annual Chambermaid Clean-Up-Yuma program.

Anchor has the tradition of giving a \$75 scholarship to an outstanding senior student and raises money for this by holding car washes and bake sales.

Above average...that's National Honor Society. Every member must maintain at least 1.7 grade average.

The Society raises money and spends money, as do all campus clubs. But NHS has the higher purpose for stimulating Kofa's intellectual activity. To fulfill this ideal NHS seeks dynamic personalities to speak to students concerning contemporary problems.

Community Play Day in the Kofa gym and activity room was being planned for a Saturday this year. Also, Kofa's first Book Fair was a progressive accomplishment in 1965. Through the Fair, students could purchase paperbacks from a diversified selection of 2000 titles. In addition, the NHS sponsored a football game dance with Anchor Club, a car wash, and a Mardi Gras booth.

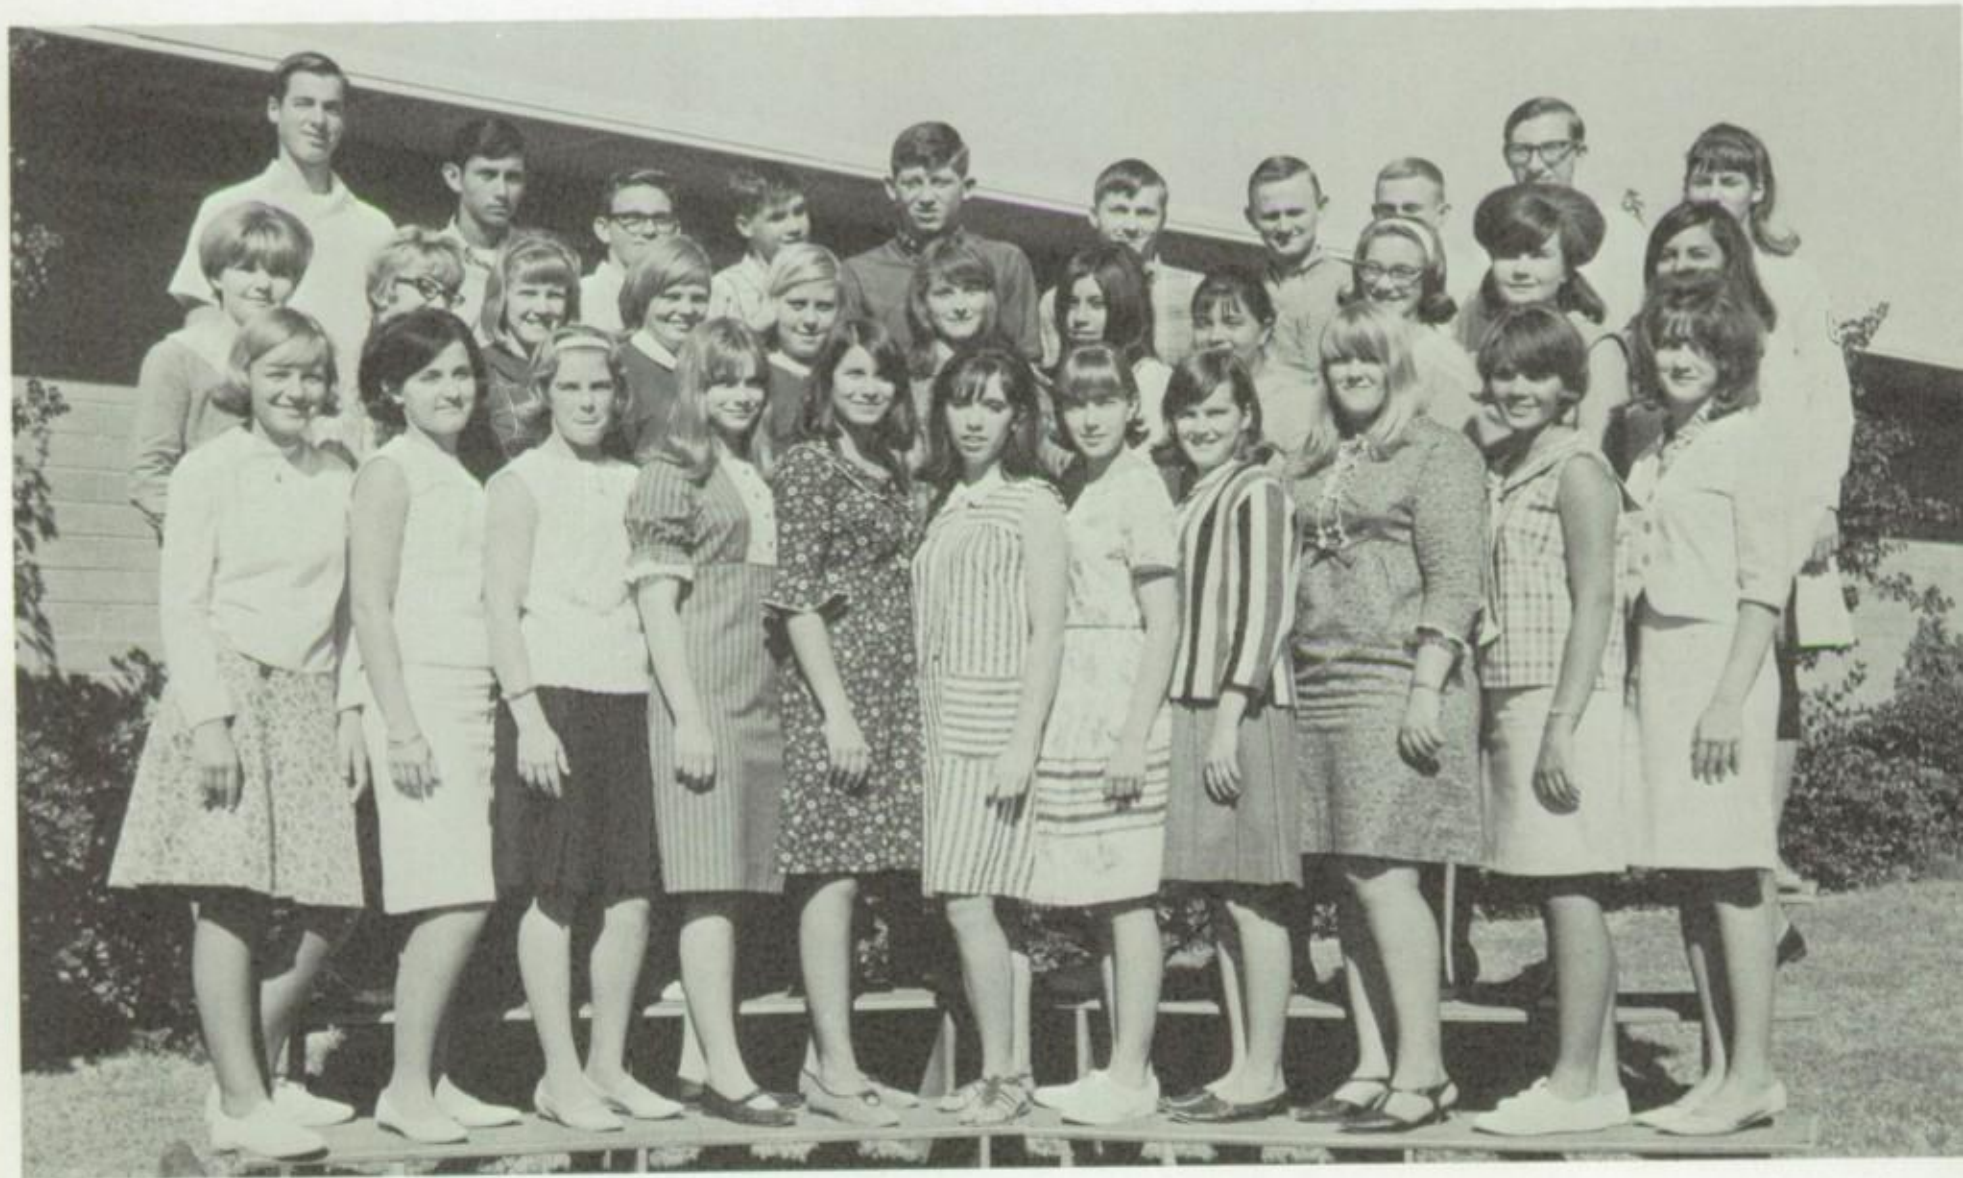

M. Andazola, Vice President; D. Roberts, President; D. Johnson, Secretary.

FRENCH CLUB

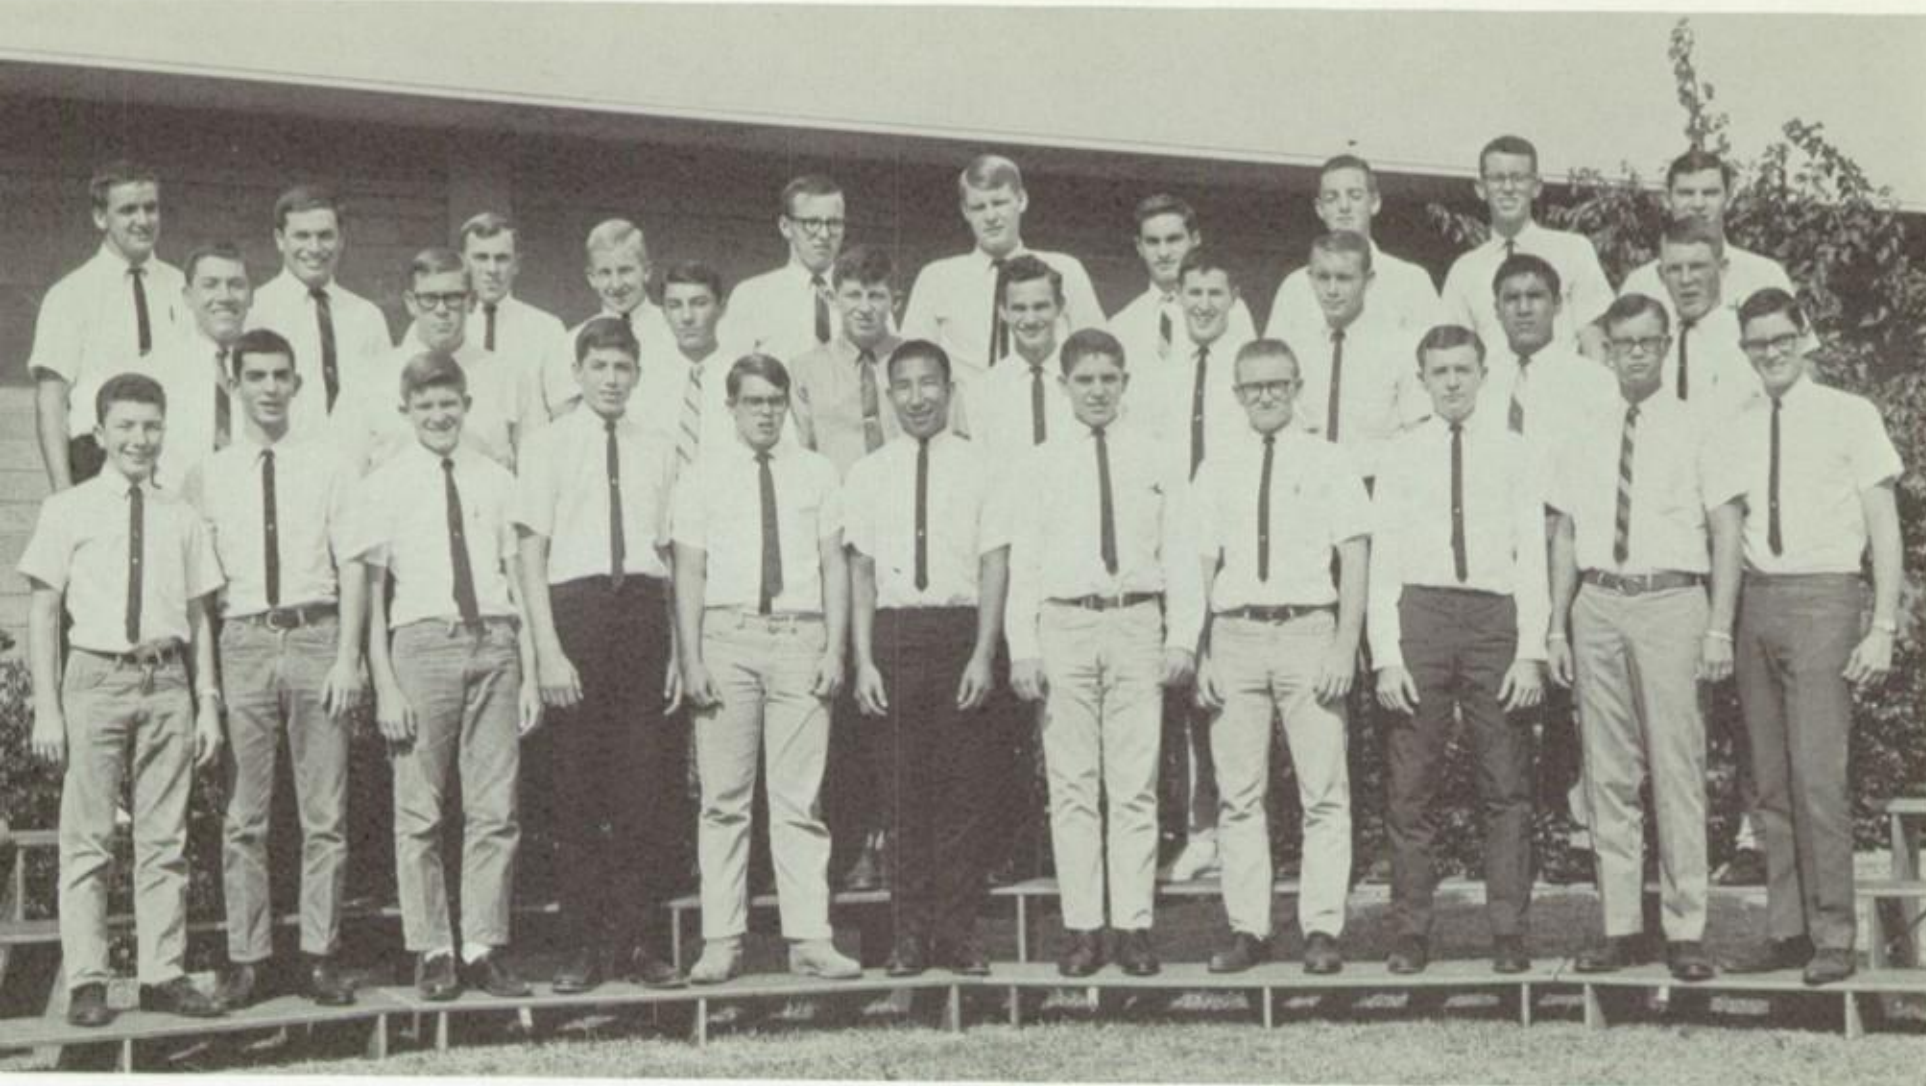

The purpose of French Club is to further the French culture, the language, and also to show and tell other people about the French. It is among the three foreign language clubs on Kofa campus.

This year they had such money raising projects as car washes, bake sales, and a booth in the Mardi Gras. They also had a banquet and participated in the Pep Squeek parade.

KEY CLUB

Key Club is a young men's service club sponsored in high schools throughout the United States and Canada by local Kiwanis Clubs. Key Club's main purpose is teaching Key Clubbers the meaning of reversible, aggressive citizenship which is so necessary for the maintenance of our democratic way of life.

Key Club loans school books to students who would otherwise not be able to afford them. Key Club buys these books as needed by the students and donates out-dated books to less fortunate schools. They also help with many of the Kiwanis projects.

To raise funds for these projects Key Club sells cokes and peanuts at the football games and sponsors an annual dance.

The main purpose of the Lettermen's Club is to promote good sportsmanship and school loyalty. It also unites the varsity lettermen into one group.

This year their main goal was to obtain money for a weight machine. They accomplished this with the help of other school organizations. They also started a car caravan before each home football game, in which any student drives a car in a caravan around town to advertise and promote spirit for the game.

Among some of their money making projects are selling cokes at the home Junior Varsity and Freshman football games, and co-sponsoring a dance.

The Squires are boys who enroll in Men's Chorus and are interested in advancing musical programs at KOFA. They attend and perform at various concerts and festivals, while working on projects throughout the year. They worked with the Harmonettes this year to earn money for a scholarship which they presented to an all-state music student.

A Christmas Concert is presented in conjunction with the Band, Orchestra, and Concert Choir to highlight the year. They also display their vocal talents at the annual Spring Concert. This talent is always available to all campus and civic organizations.

The purpose of Latin Club is to further the knowledge of Roman customs.

This year they had such activities as publishing the state newspaper, the TOGA Talk, for the month of October in cooperation with Yuma High's Latin Club. They attended a state convention trip during the first part of March, held a car wash, sponsored a dance, and had a booth in the Mardi Gras festivities.

Latin Club is open to those students taking Latin and maintaining at least a "3" grade average in all courses.

Perhaps the most important thing Modeling Club has to offer is the opportunity to gain poise and self-assurance through modeling experience before audiences.

They use the money thus earned to buy goal post wrappings, paper for pep posters and to buy new songleading uniforms.

F.F.A. has each year a dance culminated by the crowning of their F.F.A. Sweetheart. This year the honor went to Cathy Otondo. Also, all members worked on a float for the Rodeo parade and they participated in a field day at Arizona Western College, all in addition to their raising of various species and cattle and crops.

Members of F.B.L.A. must maintain at least a 3.0 grade average and must have completed one unit of work in the business field.

F.B.L.A. is to help promote a better understanding of the business world to students.

This year they had such money making projects as a car wash and booth at the Mardi Gras, and they participated in the spirit contest.

RADIO CLUB

Moses Camerena supervises repair of the radio antenna tower.

Radio Club was formed to further the knowledge of students interested in shortwave broadcasting and receiving. The members are working to earn their Ham's Operating License.

This year Radio Club co-sponsored a dance with Science Club, held two car washes, and traveled on an out-of-town trip. They set up a 120 foot antenna and got the club radio station, K7NJC, in full operation for the first time. They also held code classes to help members obtain their novice licenses.

"S" Club participates in the school spirit contest and provides services to such other organizations in the community as TAP, the Chamber Maids, and their sponsor, the Soroptimist Club.

"S" Club gives summer sessions for arts (enable the student to learn more about art); scholarships to deserving students; donates Thanksgiving, Christmas, and Easter baskets to a needy family; and enriches its members with the presentation of speakers at meetings.

In addition to service projects "S" Club holds car washes, bake sales, Odds n' Ends Days (in which they do services for other people), and has a booth at the Mardi Gras as money raising projects.

Associated Men Students consists of all boys attending Kofa High School.

A.M.S. undertakes many worthwhile projects throughout the year, such as the A.M.S. Talent Show in early January.

With the money received from the show various scholarships are given to worthy students. A.M.S. donated for the athletic program machine and also gave other financial aid to athletic teams.

GIRL'S LEAGUE

Girls League is comprised of every female student of Kofa High. Each girl automatically becomes a member when she enrolls. The degree to which a girl participates is her decision. Since it is such a large club, a council is selected each year to represent the classes.

The purposes of Girls League are: to offer the girls a chance to become active in school programs; to increase their number of friends; to exercise their ability of leadership; and to learn the value of co-operation and team-work.

These are some of the activities each year: the Freshman Coke Party (to introduce the Freshmen to high school customs); co-sponsorship of a dance (this year it was the homecoming dance); Hush Day (none of the girls talk to the boys, but if she does, that boy gets her Hush Card); and the Easter Egg Hunt.

This year the four executive officers went to the Girls League Workshop held at Palo Verde High in Tucson.

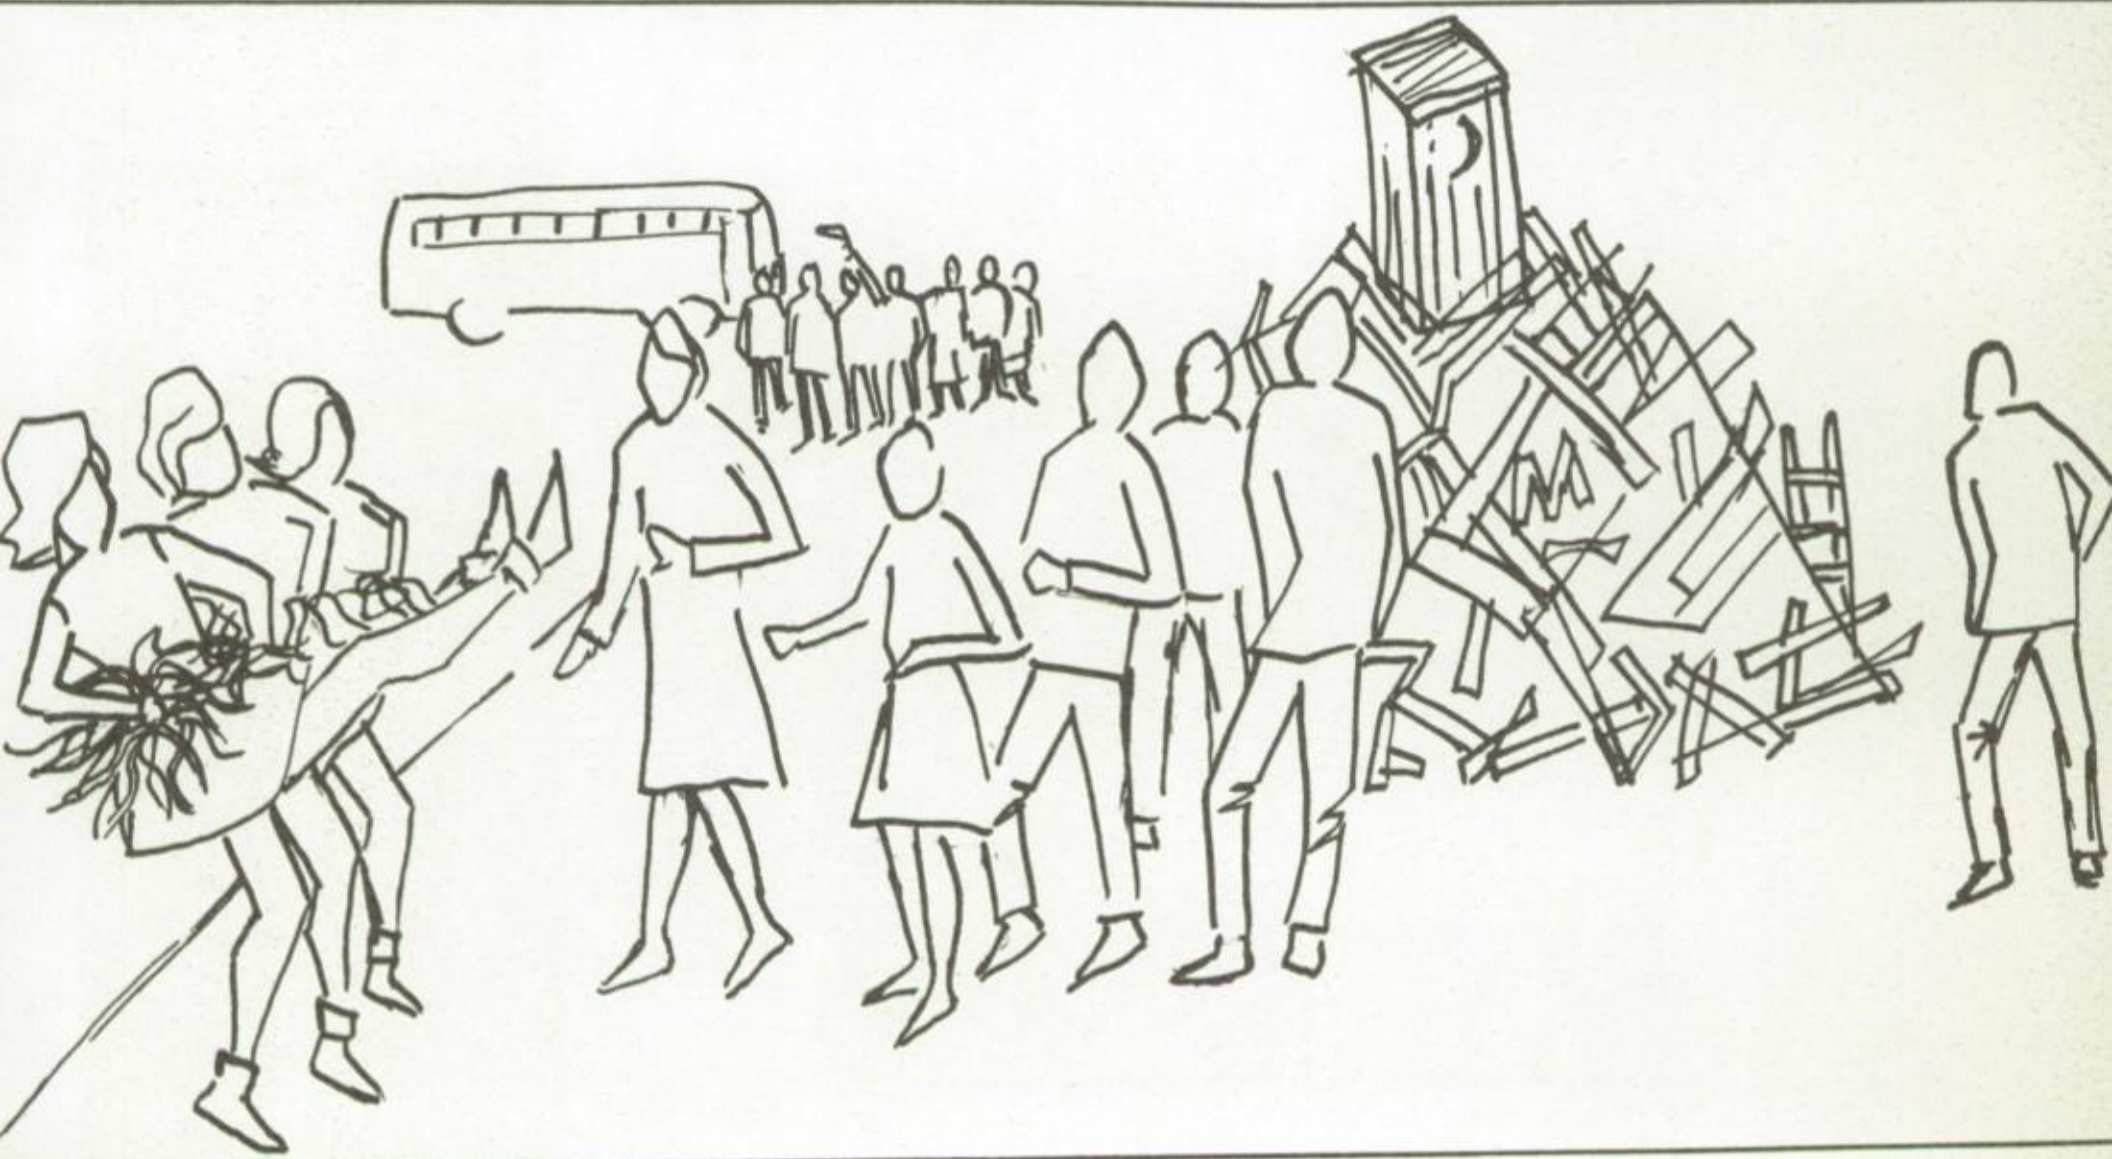

N. Meinhardt finds she must give up the hush card she bought for 5¢ when she discovers that R. Simmons is irresistible and speaks to him.

ACTIVITIES

SEPTEMBER

Clapping and chanting, pep clubbers create enthusiasm at a pre-game rally.

September is the month that returns the shining and the unshining faces of all students, ready for another year of education--academic and social. The valiant striving of the football team, the suspense of the cross country meets, the traditional frosh handshake dance and the challenge of new classes are all part of every student's memories during September.

This year a new pep rally system was introduced. Our pep assemblies are now held outside for brief, dynamic periods.

Hundreds of students gathered in the sunshine for Kofa's newest innovation in pep rallies.

Gone are the days of yellow slips. Now passes flash and jangle, as displayed by Carolyn Olson.

The freshmen are on display at the annual Frosh Handshake Dance.

OCTOBER

Miss Watters calls out instructions to some of her P. E. students.

October saw many accomplishments. The splinter-bound timbers we had sat on at football games in the past were replaced by smooth new bleachers on the high side of the field.

Everything had gotten into full swing for the new school year and classes were down to business with reports and research papers due each week. Our cross country team was having a great season.

The yearly out-of-town football trip brought fun to everyone who went. The funfilled trip to the game, the suspense of the evening, and the climaxing trip home all made an unforgettable trip.

The tallest girls in school, Judy, Dianne, and Nancy, have their own organization, the Slim Sallys.

Cecil Moore (center, white shirt) supervises the final stages of our new football bleachers.

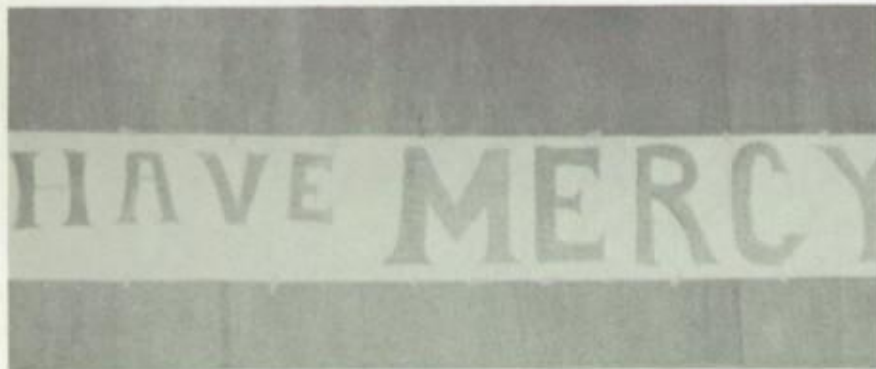

Preparing for Pep Club snack sales at an upcoming football game are Connie Fisher, Darlene Self, Xantha Pendleton, and Peggy Johnston.

NOVEMBER

Mr. Gossman makes the grand effort in the annual Yuma-Kofa faculty donkey basketball game.

Midway through a disastrous football season, some wits or halfwits (take your choice) posted this sign in the cafeteria.

Chanting and leading the student body from the gym, members of the varsity football team generate spirit for the upcoming Yuma game.

November is known for its royalty, high spirit, and excitement. The big activities start with the annual bonfire rally. The crisp evening, the outdoors smell of smoke, and students bursting with spirit give participants a wonderful feeling.

Following the bonfire, there is homecoming with the excitement of the game, the glamour of the queen, and the quiet happiness of the dance.

Then the spirit builds to its highest peak of the year for the game against our cross-town rival, Yuma. Everyone is on edge as the teams clash, each doing its very best to achieve an honorable victory.

Next in line is the Frosh Talent Show. The Freshmen display their talent to make an interesting assembly for the student body to enjoy. And climaxing the month is the donkey basketball game where our most athletic teachers battle against the teachers from Yuma for the donkey challenge trophy.

"Will ya' please yell?!"

DECEMBER

Sparkling with excitement, December is the month of holidays. Carols are sung and decorations are arranged in every window and on every door in school. Kofa is always in the Christmas spirit with the manger scene in the library yard, the elf scene on the administration building, the student council Christmas tree in the Cafeteria, and the Christmas tree and pictures in the library.

The music department topped the pre-season festivities this year with a Christmas concert from the band and choir.

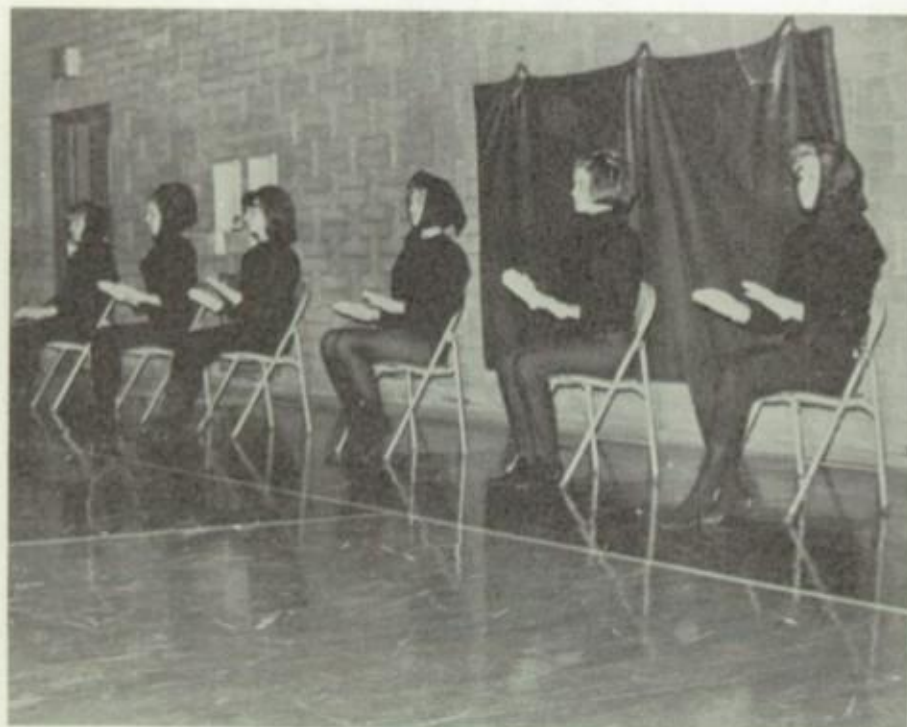

The second-year art classes helped spread the Christmas spirit by making many-hued stained windows like this one.

Created by the wood shop and Mrs. Taylor's art classes, this colorful manger scene graced the front of our library.

JANUARY

The month of January was punctuated by exciting basketball games attended by many Kofans. We were highly complimented as to our conduct and loyalty when Kofa High School received this letter from the parents of some opposing players:

Sandy Blew, Connie Fischer, Eileen Rather, Ronnie Romey, Robin Stanger, and Janice Lemke present an unusual performance during halftime at a basketball game.

To: Office of Principal

The very fine spirit, sportsmanship, and originality shown by all the school groups that participated in the January 21 basketball game with Chandler impressed us so much that we feel a letter of congratulations was a "Must".

As parents from Chandler High School, we have never attended a high school sporting event that was so well planned and presented from the game announcing, the entertainment by cheerleaders, song-leaders, and band to the sportsmanship shown by the team. It was refreshing to witness such school spirit and we just wanted to let you know that you will always have two loyal boosters in Chandler (Except when it's Kofa vs. Chandler!).

Sincerely,

Mr. and Mrs. R. C. Horter

Mike Scudder, Ted Rice, Nancy Meindhardt and James Jeffries entertain the audience between acts in the A.M.S. talent show.

FEBRUARY

Cathy Otondo, 64-65 F.F.A. Sweetheart passed on her title to Carol Kottenbrook (center). Carol's attendants were Margie Sturdivant, Robin Stanger, and Claudia Skinner.

Busy was the month of February. With finals finally finished, everyone was ready for some fun.

At the annual Okie Stomp Carol Kottenbrook was crowned F.F.A. Sweetheart. The regional wrestling tournament was held in the Kofa gym with ten schools and 130 wrestlers participating. Our Mardi Gras capped the month's activities with its food and frolic.

The Spurrllows entertained the student body with a safety assembly titled, "Music for Modern Americans"

Janelee Campbell, Ron Davison and Jimmy Price take a coffee break while rehearsing for the King's Players play, "The Importance of Being Earnest."

Mr. Norman W. Getzinger presented a stimulating address to juniors and seniors on the potential of Red China.

RODEO

A fast-moving and colorful addition to our community life is the Silver Spur Rodeo. Everyone has his part in the activities and Kofa is no exception.

The Student Council sponsored a float which the whole student body helped to build. This year it carried the royal court from homecoming and it took third place in the parade.

The F.F.A. also had a float which carried the candidates for F.F.A. Sweetheart and they were awarded second place.

For two days before the rodeo all Kofa students get into the spirit, and western dress rules the campus, with penalties for those who dress "dude."

Rodeo Queen Kendra Jensen graces the entrance to our administration building. Kendra won her title on the basis of poise, personality, and horsemanship.

Big balloon raffle.

I've heard of tough tacos, but this is ridiculous!

MARDI GRAS

Cake walk, anyone?

MARCH

"The Solid Gold Cadillac", the 1966 Junior Class play, opened the month of March, with all juniors working hard to make it a success. The proceeds of the play were used to make an unforgettable happy prom.

Newly blooming flowers, new beginnings in sports and a new grading period suddenly awakened in us all the sense of the quickly approaching end of the school year.

Just what is Anchor Club planning to grow?

Oops, here they are again!

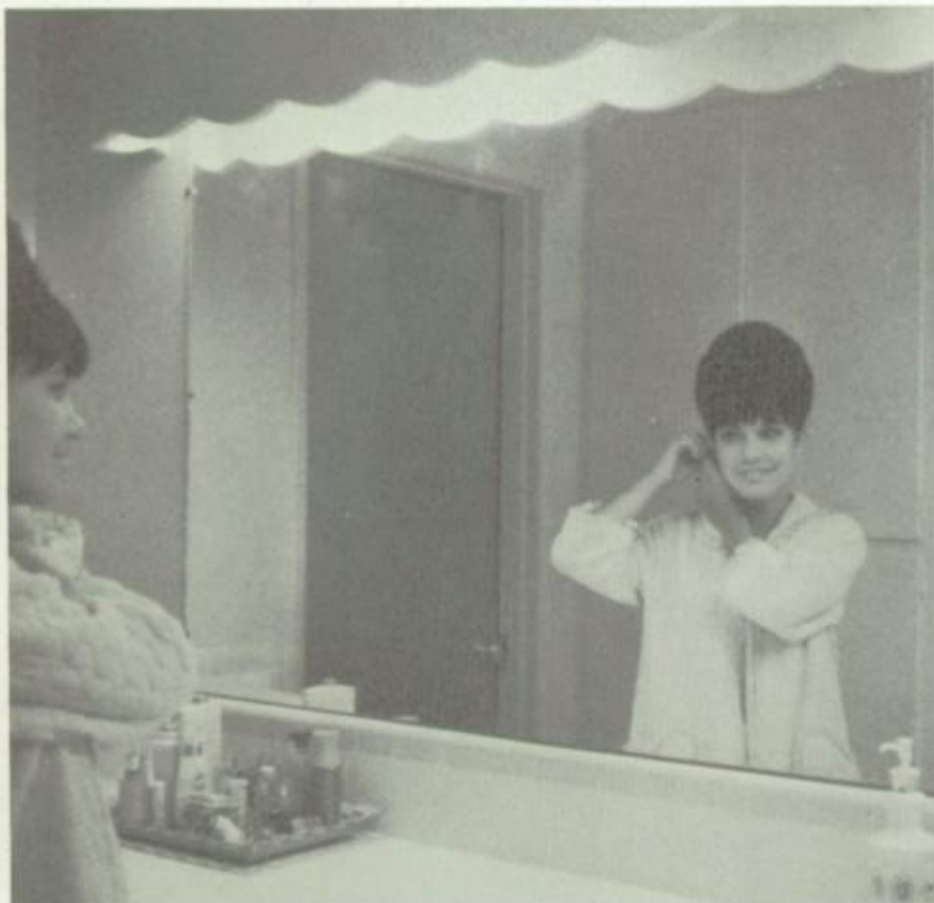

"You stand here," Cathy Jacobson seems to be telling Ann Cooper in preparation for the junior class play.

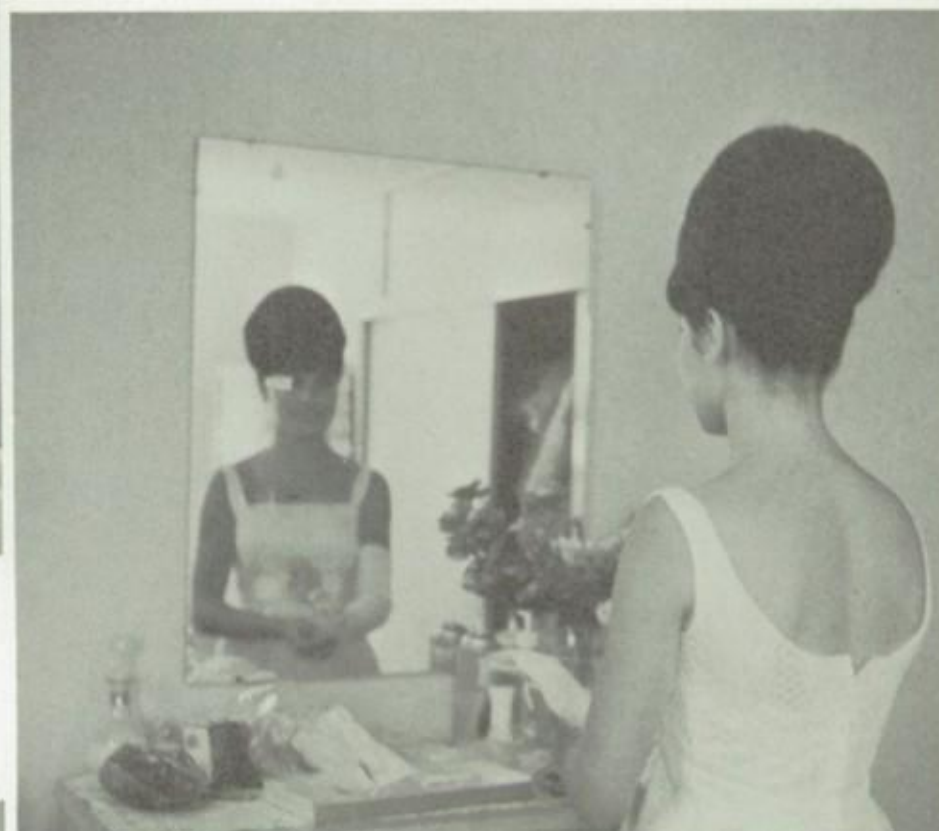

Would you believe this is the Mardi Gras King and Queen?

PREPARING FOR THE PROM

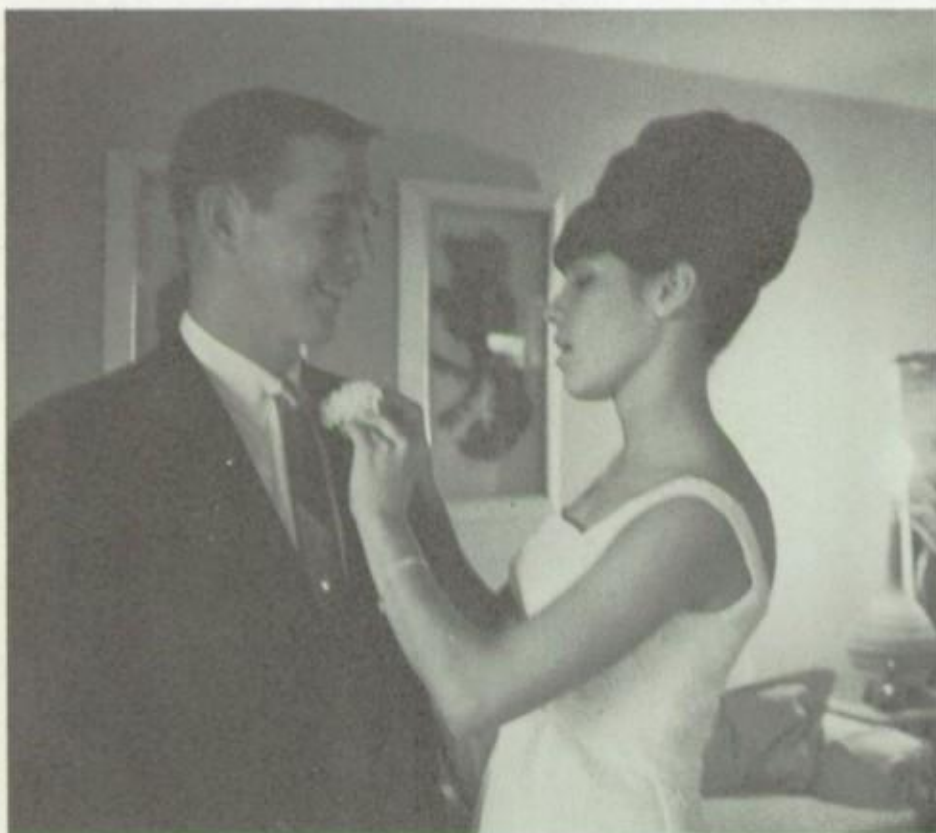

Tasa Snyder carefully puts on the earrings which will complement her dress perfectly.

One of the memorable events of a lifetime is a girl's first prom. Here in pictorial detail are captured the final moments of the weeks of preparation preceding the Big Night.

Gloves are one of Tasa's finishing touches.

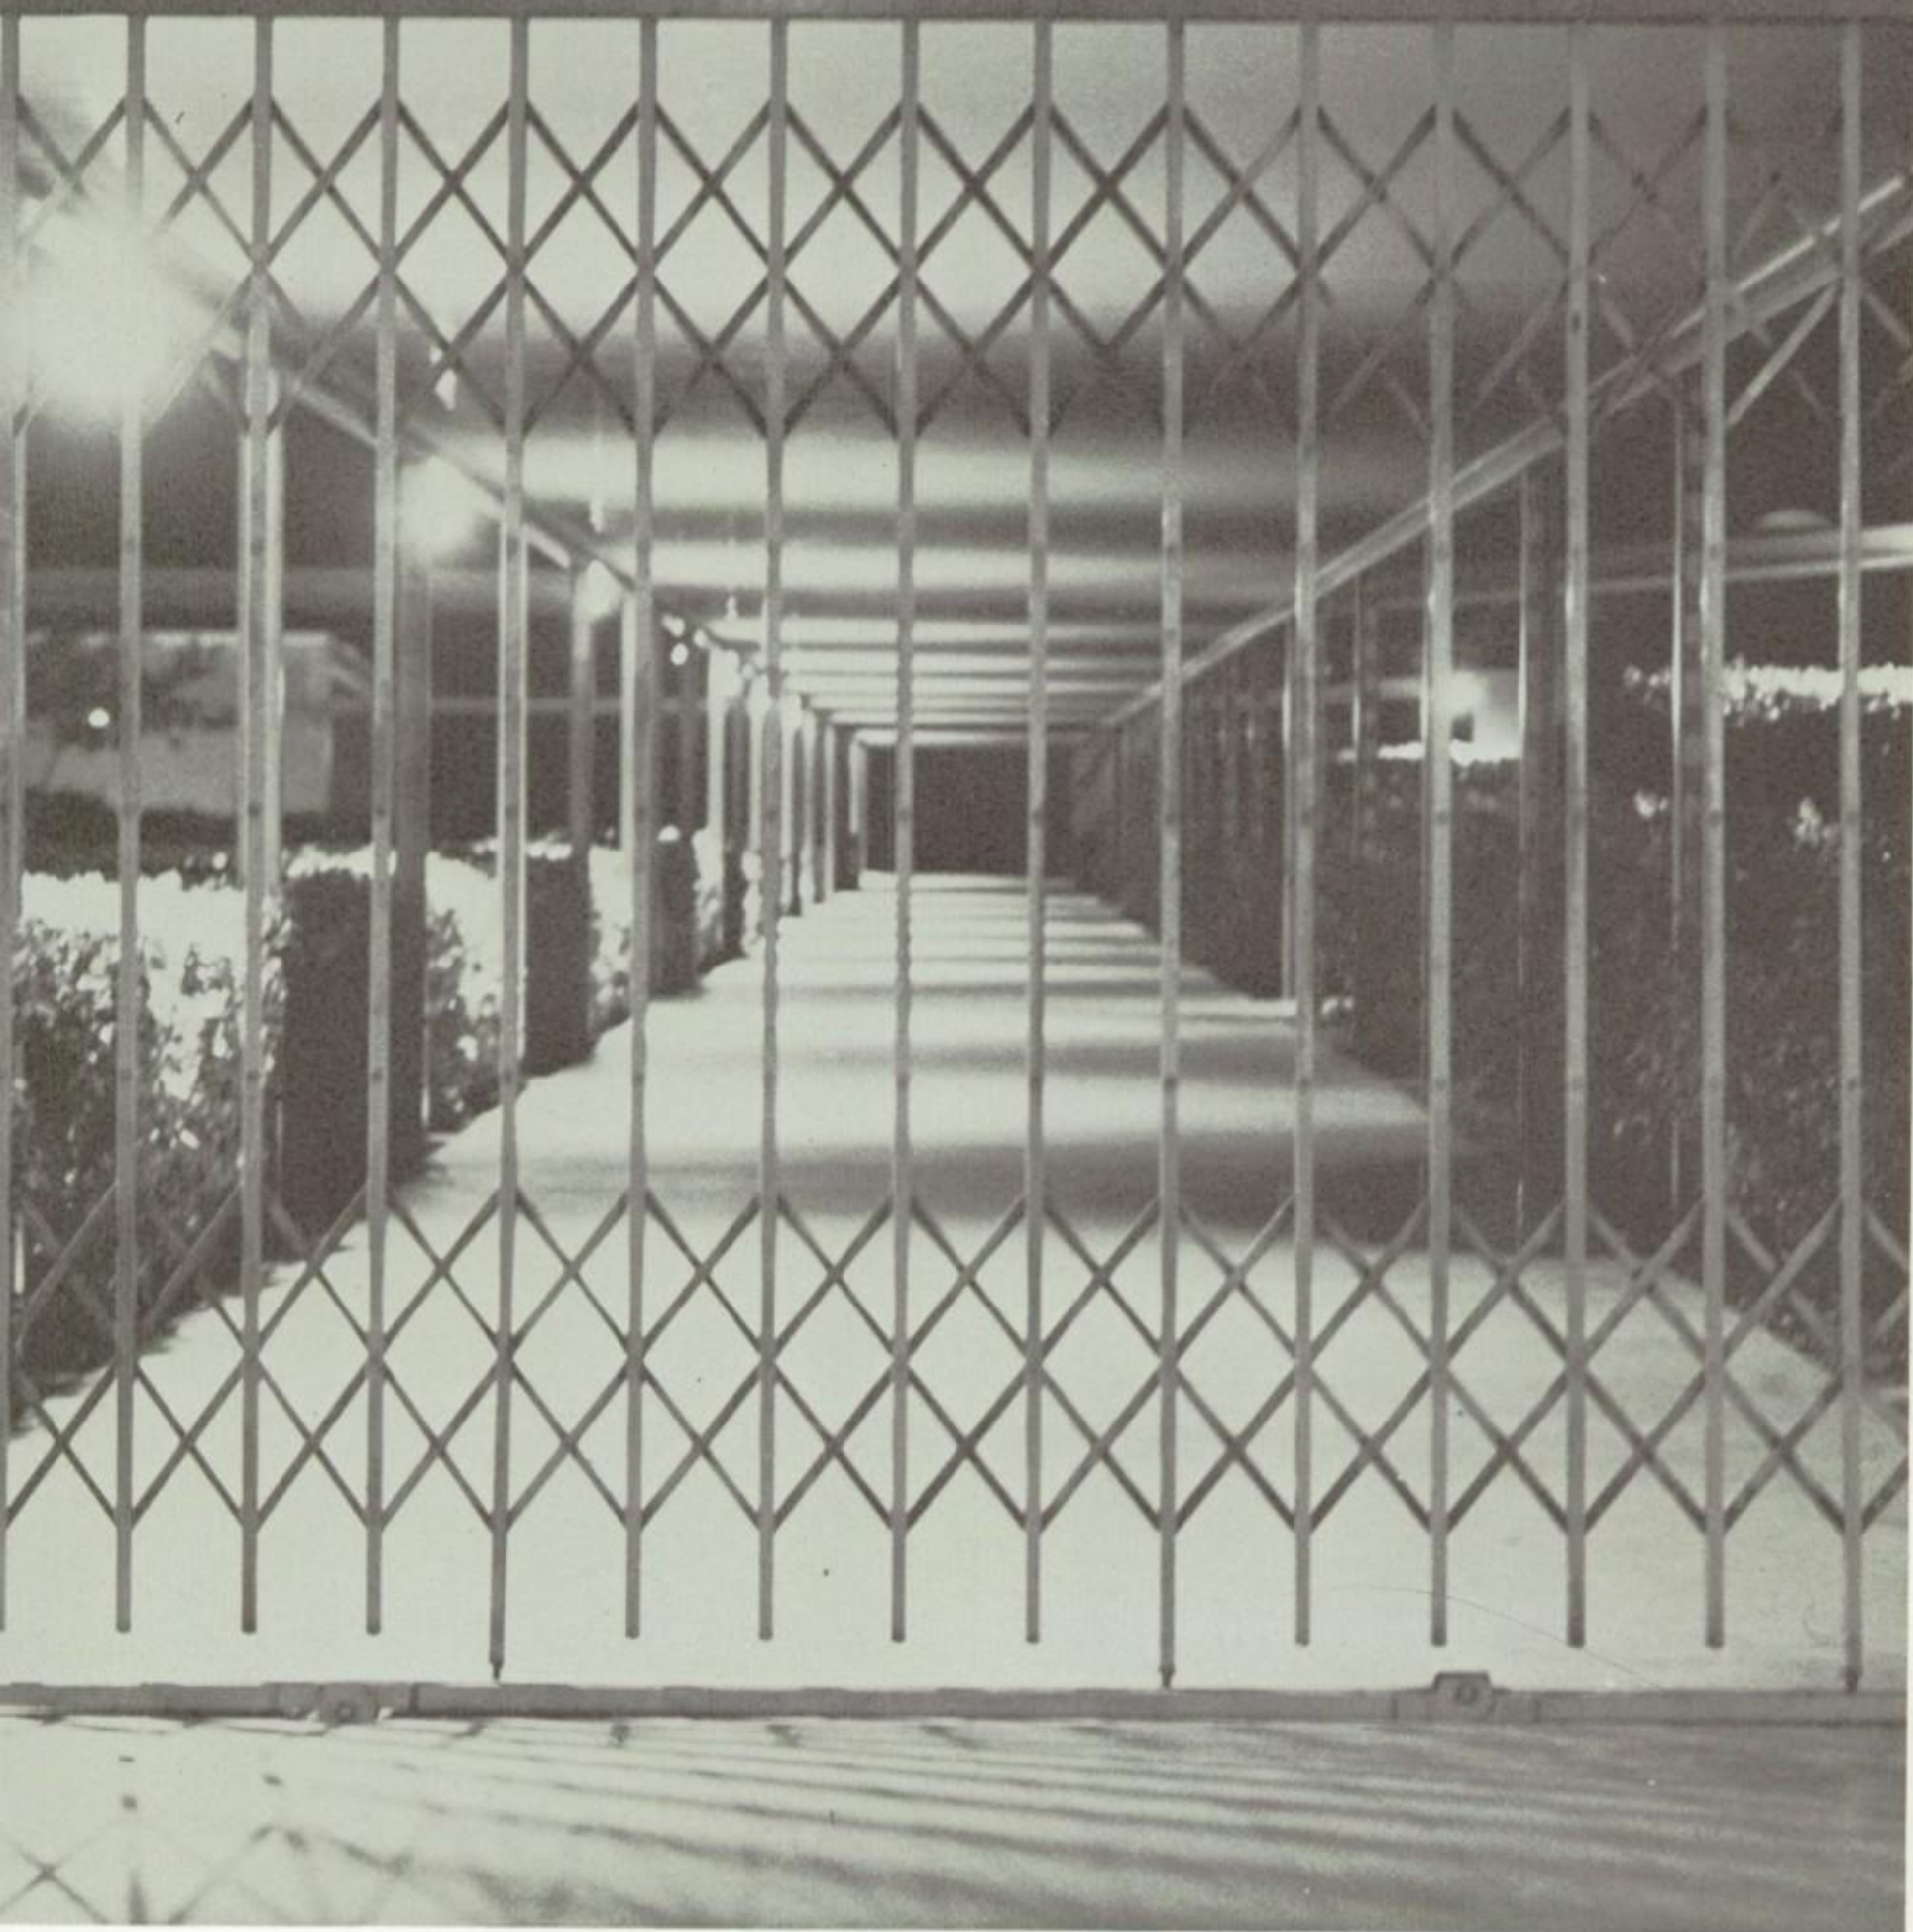

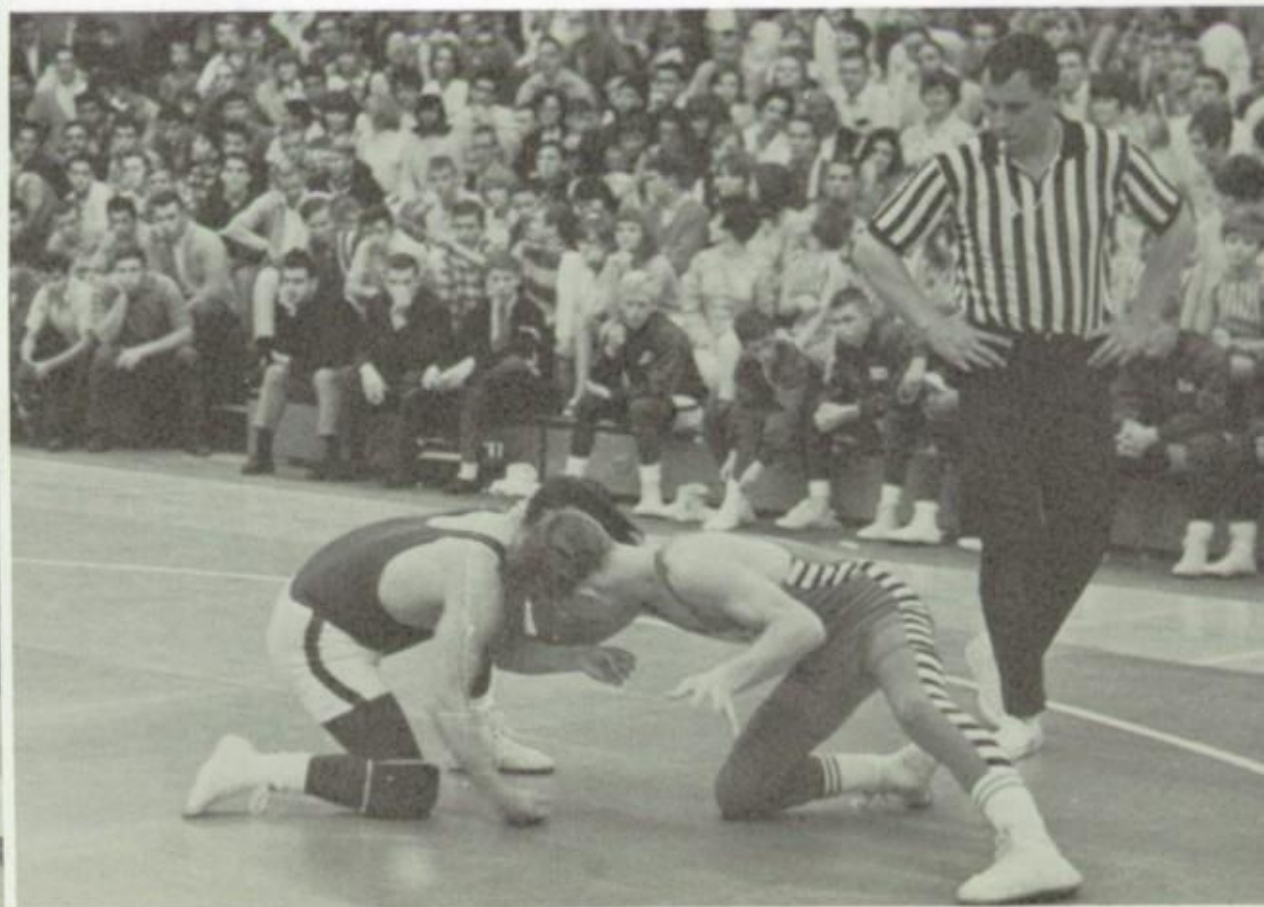

Ronny Crone, Tasa's escort, arrives and receives his boutonniere.

All ready. The magic time is now.

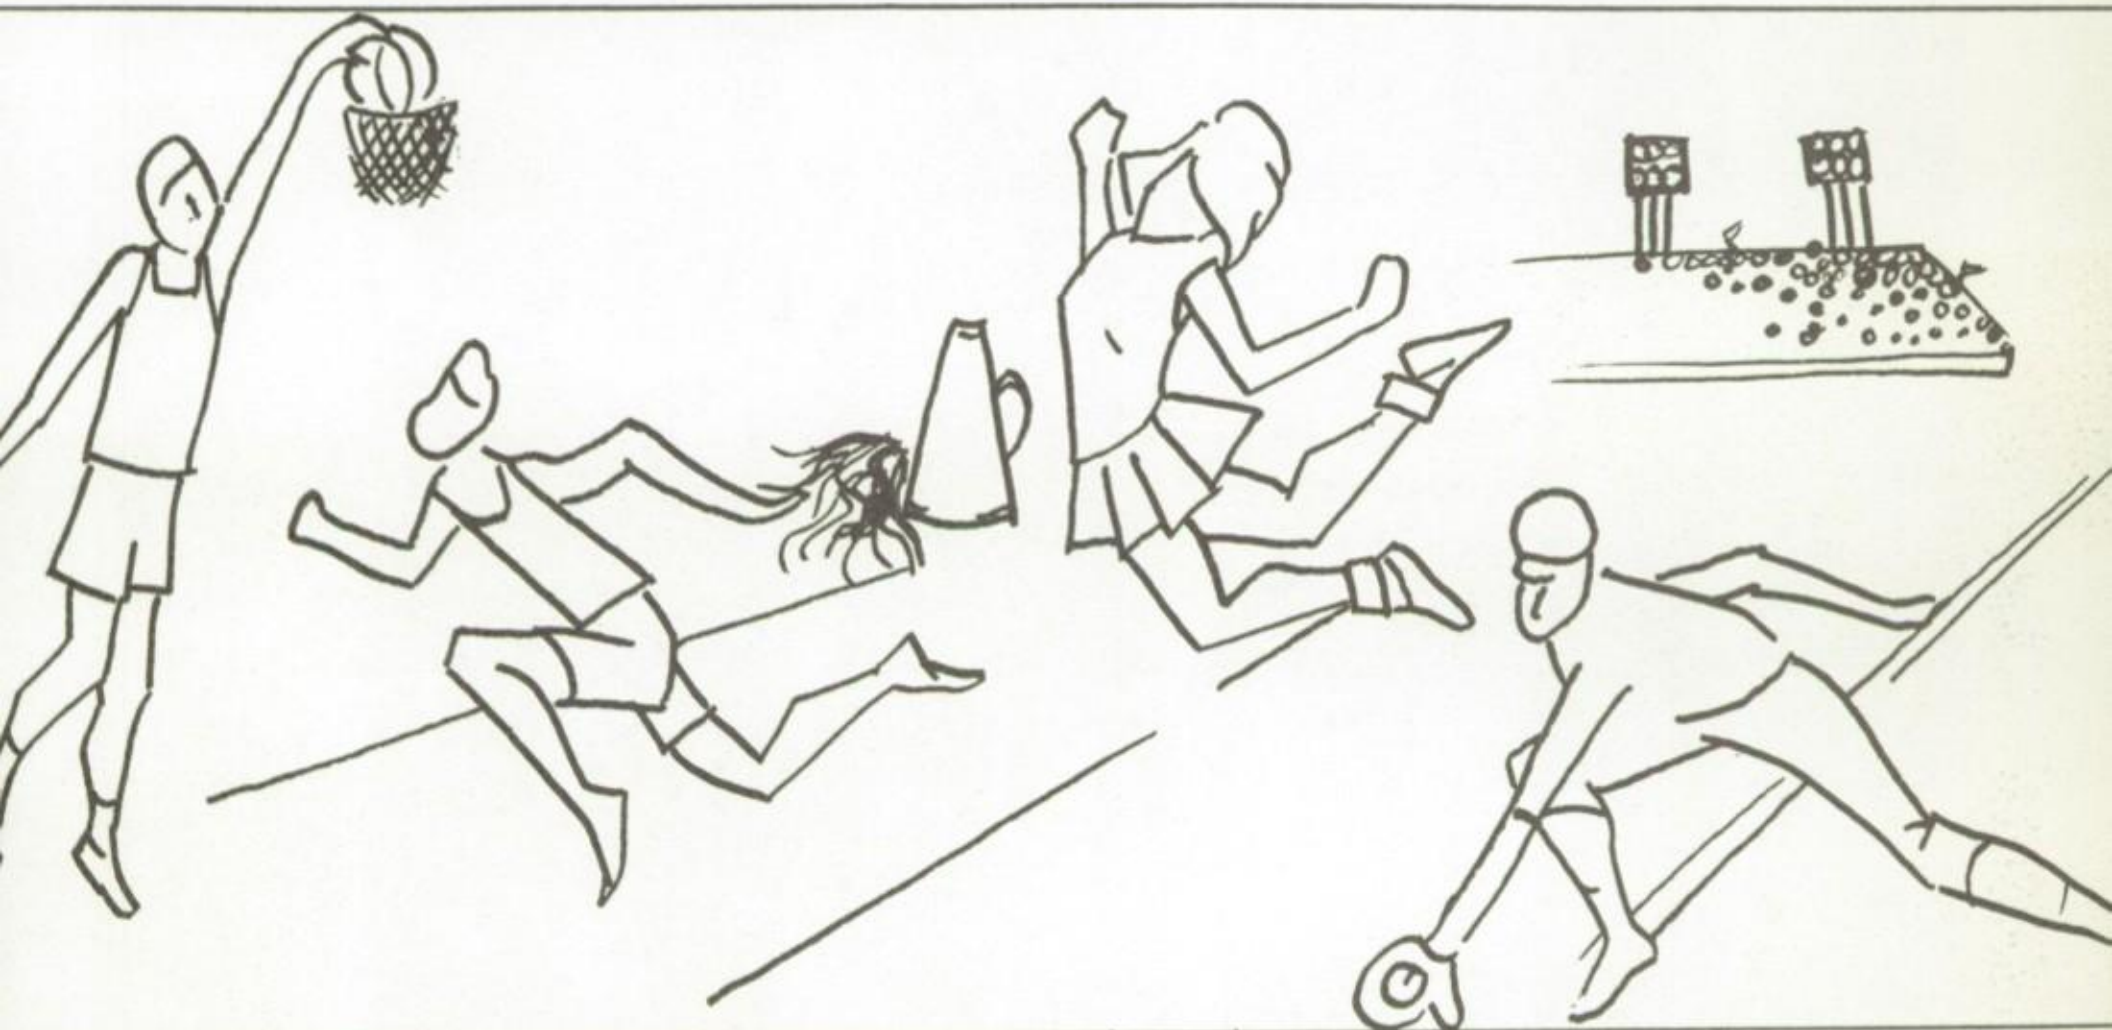

REMEMBER when you first realized that learning was a lonely process,
yet filled with glowing corridors once you passed the bars of prejudice
and confusion?

SPORTS

CHEERLEADERS

Cindy Skinner, Head Cheerleader

The peppiest girls on campus--that is the goal of Kofa cheerleaders. These girls, under the direction of Miss Bonnie Watters, did an outstanding job of promoting school spirit. They were enthusiastic throughout all sports seasons while attending all home sports activities, pep rallies, and many out-of-town games.

From the summer cheerleading camp at the University of Redlands they brought back many new cheers and an improved style of quick, energetic motions. They worked hard to inspire the student body and to become one of the sharpest looking squads in the state.

Small chairs with royal red pillows were a new addition to this year's songleading squad. The girls brought back the idea from summer songleading camp at the University of Redlands and carried it through. They also made matching dresses to wear on each school color day and on out-of-town trips.

The girls worked hard all year to boost school spirit. They were on hand at all pep rallies and home games. At each basketball game they presented a new half-time routine.

Sponsored and directed by Miss Bonnie Watters, their song routines were intricate and precise.

Football is discipline, it is hard work, it is sacrifice, it is success, it is disappointment, it is sorrow, it is joy; it is learning to play and live by "the rules"

All of these characteristics have been experienced by our 1965 football team. As their coach I am proud of their integrity and loyalty throughout a losing season. Their continued efforts week after week made up, somewhat, for the disappointment of lost games. Their "greatness of heart" made up for the "lack of size" in many a contest. I do not hesitate to say that this ball club was composed of some of the finest young men ever to represent Kofa High School.

Best Wishes Always,

Coach Walters

It was a long season for Kofa's varsity football team. Constantly playing teams with superior weight and experience, the players struggled to a 1-9 record, highlighted by a 19-7 victory over Chandler.

Moses Camarena and Chris Beck were chosen co-captains of the team for their courage, leadership, and ability.

To some day represent KOFA as a varsity athlete is the goal of all Junior Varsity members. This year's squad, under the direction of coaches Irwin Pollack and Julius Waber, worked each night for several weeks to prepare themselves for next year's challenges.

CROSS COUNTRY

Row 1: Nick Garcia, Richard Prickett, Charles Moody. Row 2: Louie Ibarra, Vince Orneles, Bill Gilmore, John Zavala.

The 1965 varsity cross country team, under Coach Fred Feiler, finished with a 4-5 dual meet record. They captured a 25-30 victory over cross town rival Yuma High and took a grand slam victory over Chandler High in the last two meets of the season, proof of their steady improvement. The 1965 2nd annual invitational meet at Kofa also ended in a strong victory for Kofa. The runners finished 20 points ahead of the 2nd place team. Five lettermen will return for the 1966 squad.

Captain Louie Ibarra takes first place in the record-smashing time of 10:34.

J.V. CROSS COUNTRY

The runners scatter at the start of the tense Yuma-Kofa meet, won by Kofa 25-30.

The 1965 Junior Varsity Cross Country finished with a 1-1 dual meet record. The team ended the season with only four boys. These boys practiced all season despite the fact they only had two meets. They also ran with the varsity at all home meets for the practice. Their work as J.V.'s prepares them for the championship status of varsity competition.

Coach Jim Sullivan

Coach Jim Sullivan and 18 hard working boys comprised Kofa's 1966 swimming team. The team practiced every evening at Arizona Western College's swimming pool. Although Mr. Sullivan was hesitant to predict how his team would do, he did expect a winning season. Several of his swimmers were considered sure participants in the state championships.

The 1965-66 Varsity Basketball season ended with a dismal 2-18 season record. Coach Deyo had a very young squad, so many of the boys will be back next year. The highest scorers this year were Chris Christensen and Jesse Cuen, both juniors. Seniors Chris Stuker and Louie Ibarra were next in scoring honors.

The B Squad, coached by Charles Foster, finished with a fine 5-1 record. These boys made the A team members work harder to hold down their positions.

VARSITY WRESTLING

Row 1: David Krull, Gerald McNeeley, Billy Leverett, Steve Arnold, Steve Engstler, Ted Lopez, Frank Corona-- Manager. Row 2: Bill Daily, Barry Sanders, Ron Phillips, Roy Dern, Moses Camerena, Frank Jefferies, Coach Jerry Headington.

THE STORY OF A WINNER

The records say quite simply that Moses Camerena, a senior, wrestling at 145 lbs., finished second in the 1966 state tournament. What is not apparent from the records is the attitude that led to this high finish, the best of our school this year.

Moses was considered a "good" wrestler at the beginning of the season, but was certainly not expected to be outstanding. But Moses has earned a reputation in other sports for giving more than his best, so fans were not really surprised to see him develop into one of the most exciting wrestlers in the state.

When driven off the mat by an opponent Moses was invariably the first one back, eager to renew the battle. He was always cleanly aggressive and trained as he

wrestled, without reproach.

He won his weight division in the divisionals against heavy odds and went to the state tournament. There, among other victories, he pinned one wrestler who had previously been undefeated.

After losing a close, controversial final, he fell silent. During the ride home he didn't have much to say, but glumly listened as his teammates who had been beaten more soundly shrugged off the defeats with an ease he couldn't feel.

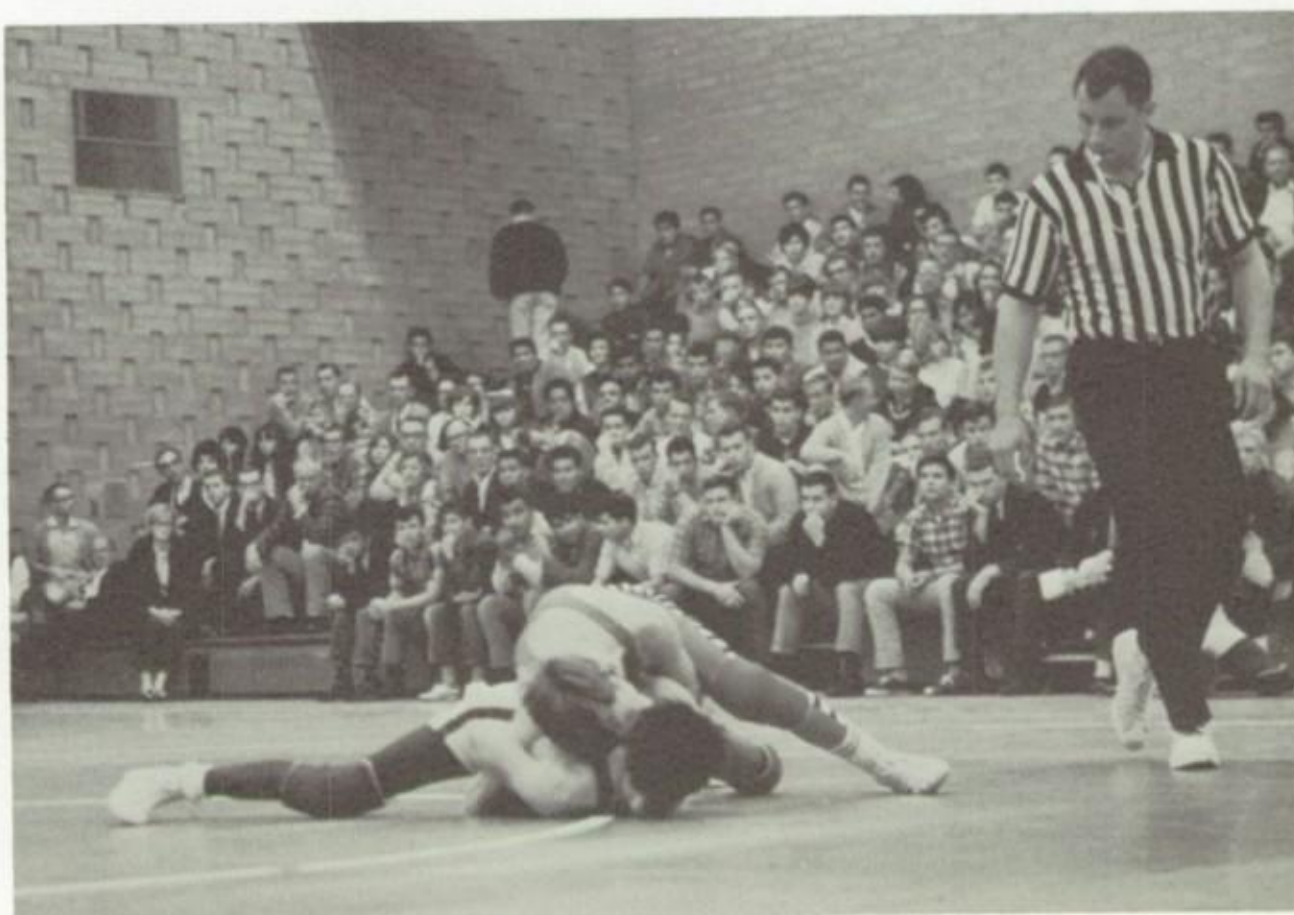

He didn't contribute to the laughter or stories traditionally generated by long bus trips. When the group finally arrived home, the last thing he said as he got off the bus was "I'm sorry, Coach."

Steve Arnold, in trouble here, is about to make a reversal.

Ted Lopez, on top again.

Gerald McNeely puts the pressure on.

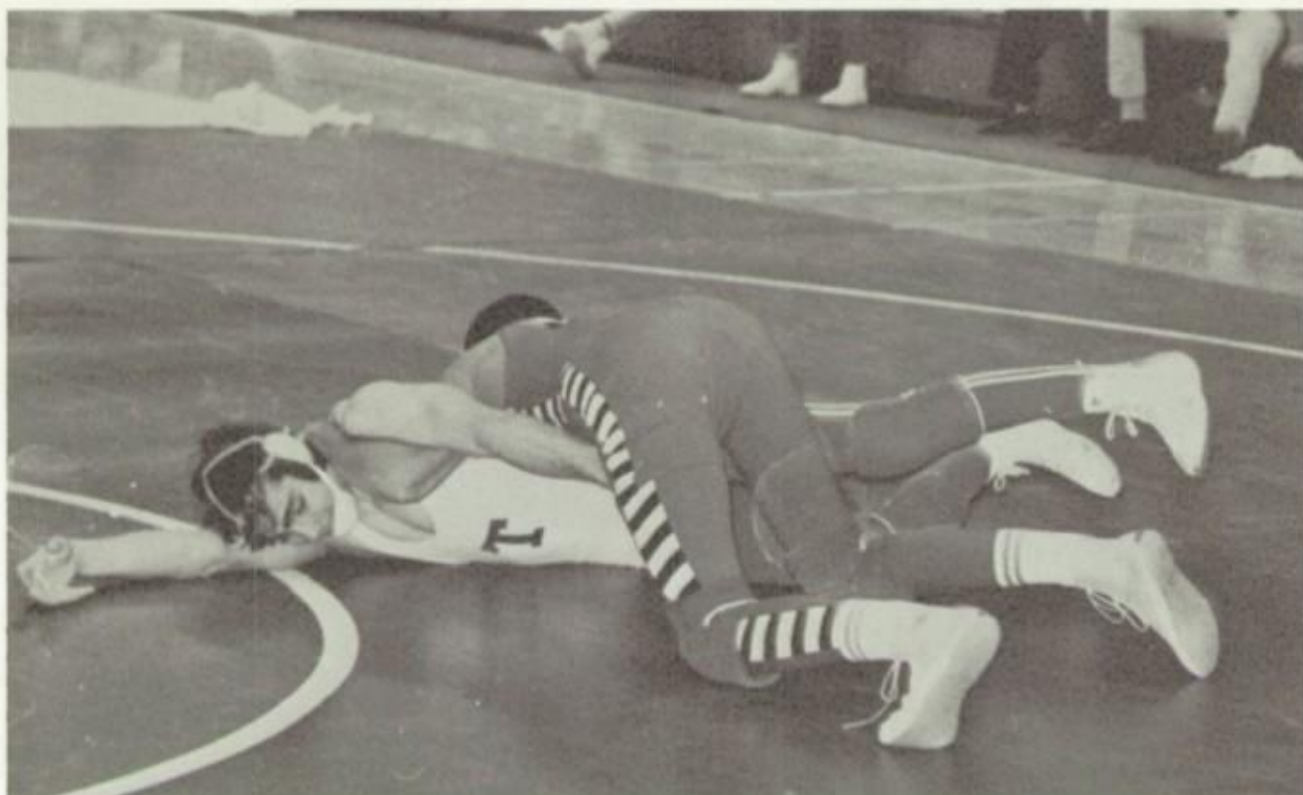

STATE WRESTLERS

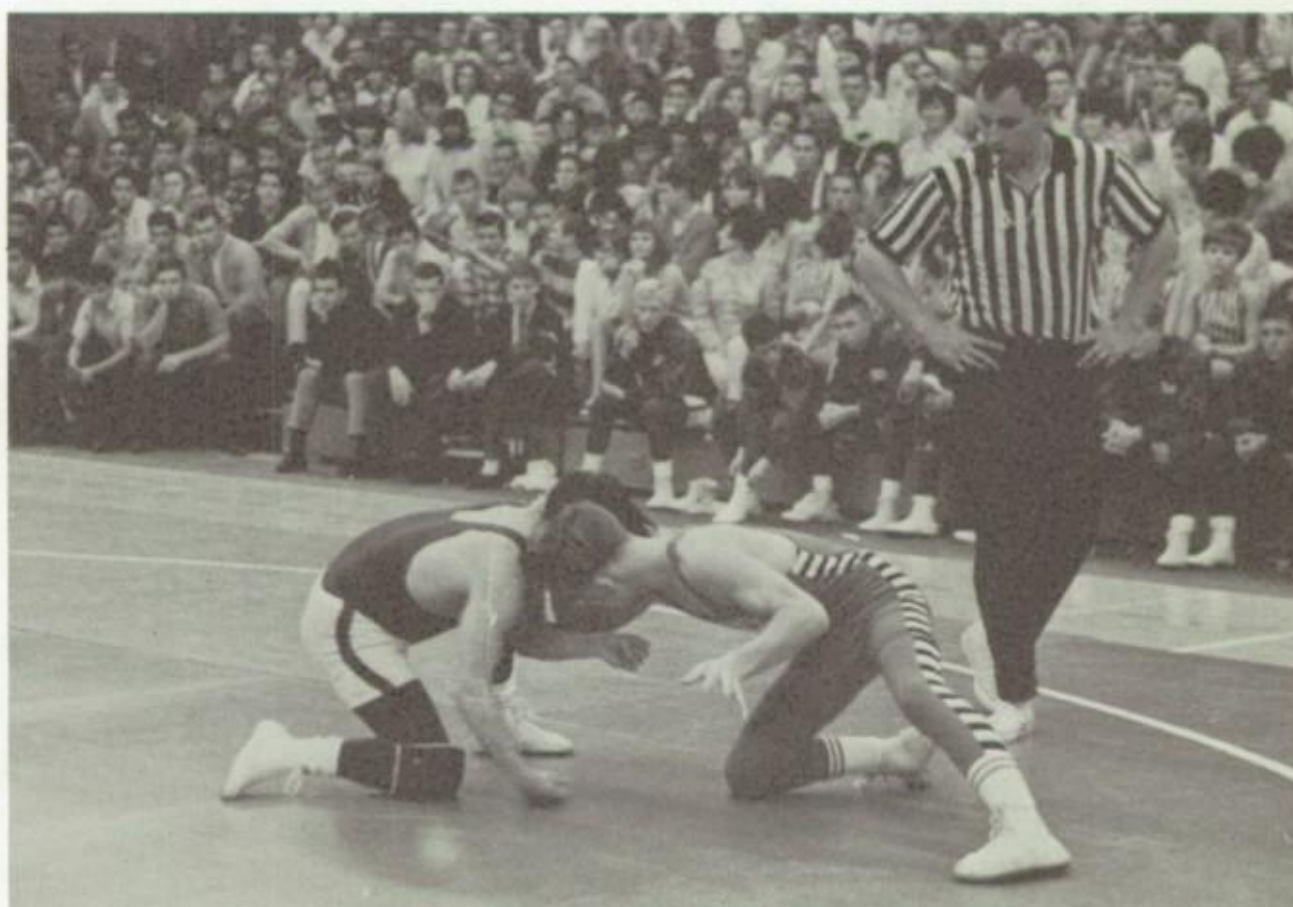

Under the coaching of Coach Jerry Headington, the above wrestlers completed a winning season and then went on to state. They are David Krull, 95 lbs.; Gerald McNeeley, 103 lbs.; Billy Leverett, 112 lbs.; Ted Lopez, 133 lbs.; Ron Phillips, 175 lbs.; Moses Camerena, 145 lbs.; and Coach Jerry Headington. All were defeated except Moses Camerena who brought home second place honors in his weight division.

J.V. WRESTLING

Coach Leeds Lacy

The Junior Varsity wrestlers completed another successful season under Coach Leeds Lacy. They ended with a 11-1 season record. Their only defeat came at the hands of the powerful Tempe J.V.'s. Coach Lacy chose these boys as outstanding wrestlers: Terry Pray 6-0, Bo Brown 7-2-1, Richard Cote 8-3, Mike Wuertemberg 7-2, and David Givens 4-1.

Row 1: Roland Mercado, Jesse Ramirez, Ron Zimmerman, Mike Wuertemberg, Gary Kukuk, Terry Pray.
Row 2: Steve Larrimore, Ken Phillips, Terry Evans, David Givens, Chuck Edwards, Richard Cote, Bo Brown, and Coach Lacy.

FROSH WRESTLING

Row 1: Dan Rose, Adolph Guttierrez, Bob Robinson, Roger Hoskins, Gil Gilmore, David Cabrales. Row 2: Jim Valenzuela, John Waits, Fred Rico, Sammy Ornelas, Lonnie Stocker, Fred Tillou. Row 3: Dan Mulligan.

Lonnie Stocker is about to chicken-wing down Yuma's Mike Palmer.

The Freshman Wrestling team compiled a 7-1 season record. They were coached by Mr. Sam Salerno, in his first season as a wrestling coach. In their final match, they were behind by 12 points to the Yuma High Frosh who had defeated Kofa early in the season. Kofa then came back with 13 straight points to win 29-28. Coach Salerno cited Jim Valenzuela as the outstanding frosh wrestler with an 8-0 record, including 5 pins.

VARSITY BASEBALL

Row 1: Ron Ross, Phil Warren, Chris Burkett, Kerry Jones, John Brewer, Dale Grissom, Greg Scott, Glen Wagner, Vic Kastner. Row 2: Mike Rambo, Kenny Morris, Grady Simpson, Rick Simmons, Coach Roberts, Roy Dern, Ed Guiles, Scott Hannon, Hank Ganster, Dan Winters.

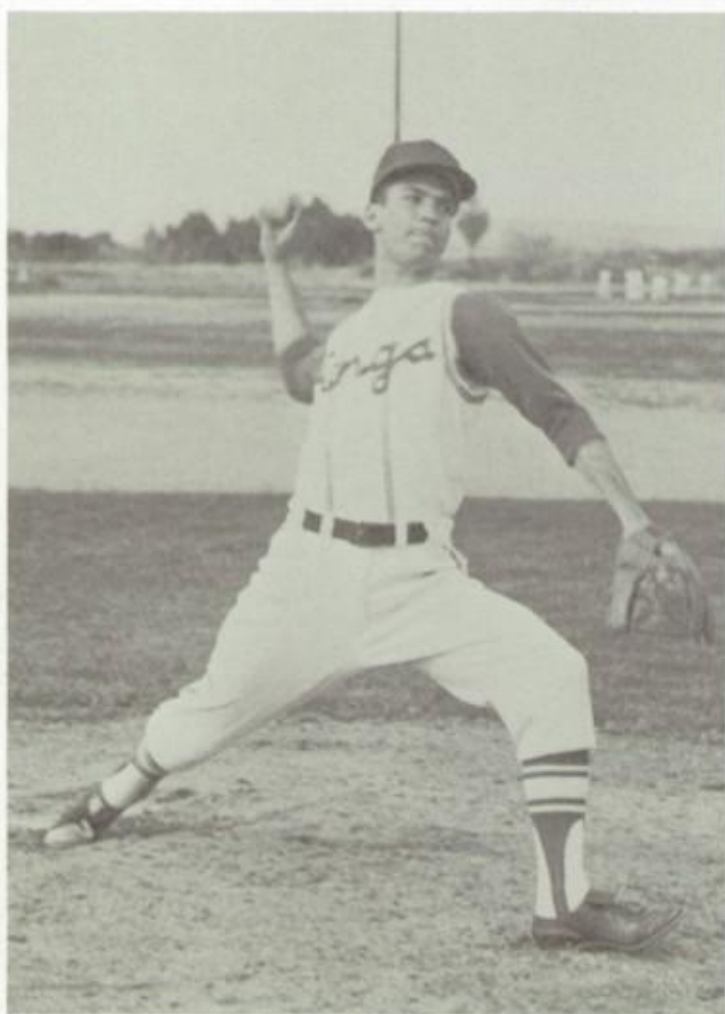

Coach Dick Roberts

Spring. Baseball. Pepper games. Chatter. Dust. Bats cracking. Gloves popping.

When you read this the 1966 season will be history, and Coach Dick Roberts will have led the Kofa baseball team through another spirited season.

In control of the play all the way, Roy Dern smiles as he waits to tag out John Brewer as he futilely slides in.

Firing his fast ball, Scott Hannon comes out of his wind-up.

First baseman Greg Scott makes the put-out just ahead of the runner, Kenny Morris.

J.V. BASEBALL

Row 1: Joe McDowell, Craig Jones, Charles Gray, Mike Wittwer. Row 2: David Givens, Steve Young, Mike Aldrete, Claude Lard, Mike Walker. Row 3: Coach Stout, Ron Grisson, David Kehl, Aubrey McKown, Dale Harvick. Row 4: Greg Lewis, Steve Lairmore, Larry Stringer, Abel Garza, Mark Schmitt.

Coach Dean Stout

Coach Dean Stout looked forward to a successful season, based on the preceding year's fine freshman team.

FROSH BASEBALL

Row 1: Danny Slater, Mike Parrish, Greg Benjamin, Robert Urtuzuastequi, Jim Watson, Bill Spears, Scott Coffeen, Phil Caraway, Gilbert Duarte, Fred Rico. Row 2: Robert Beckett, Larry Ross, Sam Murff, Eddie Ramirez, George Martinez, Mike Reeder, Jim Rummel, Manuel Badilla, Rueben Avila, Mike Castro. Row 3: Chuck Wilcox, Jim Newton, Regan Kelly, Stafford Davis, Servando Pino, Tommy Castenada, Dale Hannon, Glen Starkey, David Fitzpatrick, Robbie Robinson, Lou Melkowski.

Coach Richard Meredith

Coach Richard Meredith, Frosh baseball coach, had good reason to begin the 1966 season with confidence.

This year's crop of freshmen distinguished themselves in every athletic endeavor they attempted, heralding the return of strong sports teams to KOFA.

TRACK

The 1966 track season loomed as a question mark for Coach Fred Feiler as the yearbook went to press. Such proven veterans as Randy Farrar and Eddie Lopez were expected to anchor the young team, but depth was an anticipated problem.

Randy Farrar flies over the low hurdles in practice.

Row 1: R. Martinez, R. Sanchez, L. Stocker, R. Deluca, D. Gross, C. Bonesteele, R. Farrar, J. Valenzuela, E. Lopez, T. Anderson, N. Garcia, J. Pearse, A. Lucero, G. Smith, C. Moody, J. Johnson, C. Boggs, G. Gottspooner, B. Roo

Coach Fred Feiler

Poised on their mark are sprinters Randy Farrar, Duane Gross, and Chester Boggs.

Baily, T. Hannon, J. McCleod, J. Wheeler, L. Lebsock, S. Schmitt, R. Cardenas, D. Garcia, P. Edwards. Row 2: Volpe, C. Prickett, R. Gonzalez, M. Castenada, S. Davis, J. Farrar, B. Gillmore.

GIRLS' TENNIS

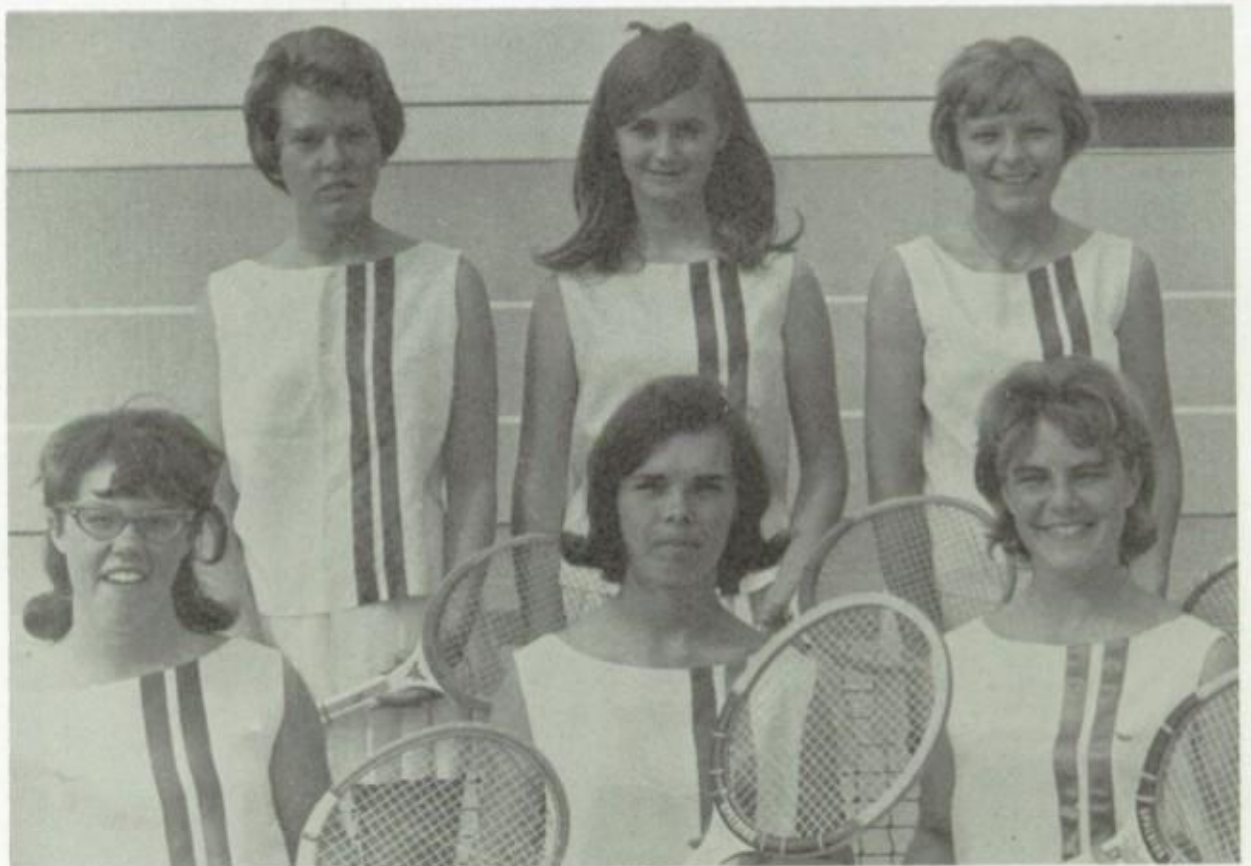

Varsity Players. Row 1: Trudy Hoppstetter, Susan Dixon. Row 2: Ann Soldwedel, Susan Rasmussen, Judy Sugden, Becky Deyo.

Coach Sandra Fiete

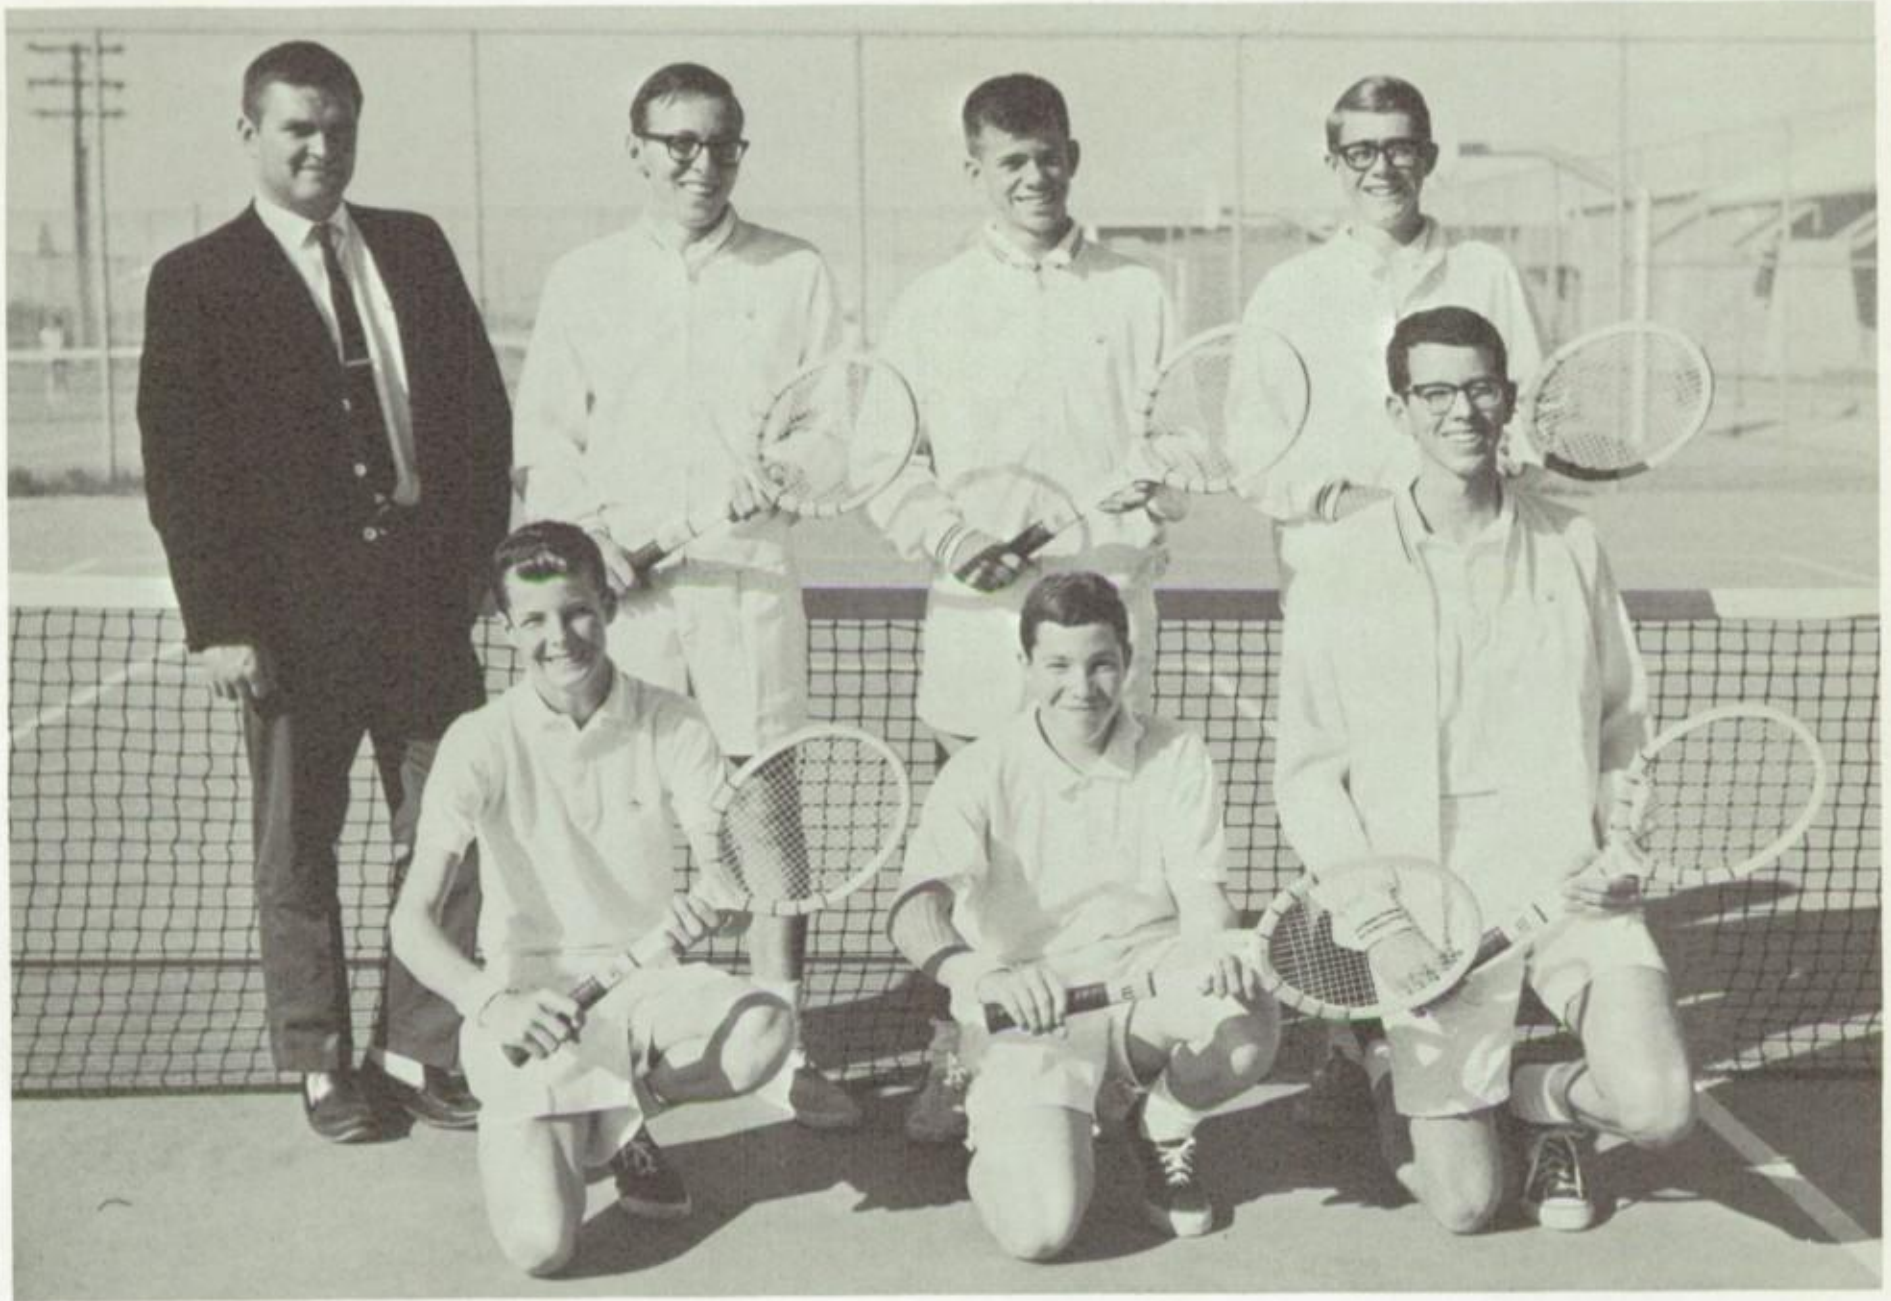

This year coach Sandra Fiete developed one of the strongest girls' tennis teams in Kofa's history.

With high hopes for a successful state tournament, the girls were assured of a winning season.

Junior Varsity Players. Row 1: Pat Duncan, Alicia Murphey, Betsy DeBerry. Row 2: Susan Rasmussen, Debby Seeger, Lori O'Neale.

BOYS' TENNIS

Row 1: Burt Braden, Wayne Zaroff, Jerry Nabours. Row 2: Coach Tom Hansen, Jim Shay, Jim Jefferies, Jeff Brown.

Coach Tom Hansen

Bringing a young team along slowly and carefully, Coach Tom Hansen viewed the future with optimism.

GOLF

Row 1: Bill Spears, Bo Brown, Mike Curtis, Ted Rice, Hal Hayes. Row 2: Charles Babers, Jim Hughes, Dan Mitchell, Rick Simmons, Kurt Glassel.

At the time of printing, the 1966 golf team was undefeated with a 5-0 record. The boys, led by par golfers Mike Curtis and Rick Simmons, were looking forward to extending their unbeaten string and setting a new record for golf victories.

All preparations were aimed for the state championship where for the first time, Kofa would have the skill and depth necessary to take it all.

Coach Jim Daman

AUTOGRAPHS

When you walk away from the campus for the last time, what will you leave behind?

We hope your contributions will have been honorable. If so, your growth in spirit and character are tangible, and your memories will be forever enmeshed in the proud traditions of Kofa High School.
